*a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).*

*Naughty Astronautess Feb 21 2022 The entrance of Lilly Linda Le Strange into the front hall of the Essential Center Shopping Mall was no mere pedestrian stroll. They bounced beyond all boundaries in their efforts to assault and reform the politically incorrect . In swept Lilly, striding atop her platform pumps modeled after the pylons of the Mystic River Bridge . She swaggered to the center of the foyer, paused to survey the surroundings and commented, "Nice work boys, now stick close to Mama 'cause the sparks are gonna fly." They realize that they are the only ones who can defend the people from the advanced weapons brought by Argos and his followers from the empire, as they find unlikely allies and friends. *Searching for Lilly: A small town contemporary suspenseful romance* Jan 23 2022 The most dangerous predator on the mountain may not be the legendary Sasquatch. Ethan "Chaos" Watson never expected to use his skills as a former Navy SEAL and current search and rescue expert to track down Bigfoot. But when a paranormal investigator goes missing while filming in the mountains near Fallport, Virginia, Ethan and his team are called in to find the

man. A task made harder when they're trailed by a camera crew. Camerawoman Lilly Ray was already reaching the end of her rope on the hokey, ridiculous paranormal shoot. Now the producer has ordered her to stick to the SAR team to get their every move on video. Admittedly not a hardship; she noticed Ethan her first day in town, and the more time they spend together, the more attracted she becomes. When the search stretches on for days, then weeks, it seems clear her co-worker didn't just wander off trail, getting lost in the woods. Foul play is evident, and soon, everyone on the cast and crew is suspect. As the team steps up their search, someone is equally determined to use the disappearance to their advantage. Then Lilly herself goes missing, and Ethan and his team will turn over every rock and leaf in the Appalachians to locate her...before it's too late. He wasn't looking for love, but it found him anyway—and he's not letting anyone take away the woman who's become his whole world. \*\* Searching for Lilly is the first book in the Eagle Point Search & Rescue Series.
