[The Magicians and The Magician King](#) Mar 18 2022 Two novels from New York Times bestselling author Lev Grossman: *The Magicians* and its riveting sequel, *The Magician King*. THE MAGICIANS: Quentin Coldwater is brilliant but miserable. A high school math genius, he's secretly fascinated with a series of children's fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams may have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more dangerous than he ever could have imagined. *The Magicians* is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of *Narnia* and *Harry Potter* should miss this breathtaking return to the landscape of the imagination. THE MAGICIAN KING: Quentin Coldwater should be happy. He escaped a miserable Brooklyn childhood, matriculated at a secret college for magic, and graduated to discover that Fillory—a fictional utopia—was actually real. But even as a Fillorian king, Quentin finds little peace. His old restless returns, and he longs for the thrills a heroic quest can bring. Accompanied by his oldest friend, Julia, Quentin sets off—only to somehow wind up back in the real-world and not in Fillory, as they'd hoped. As the pair struggle to find their way back to their lost kingdom, Quentin is forced to rely on Julia's illicitly learned sorcery as they face a sinister threat in a world very far from the beloved fantasy novels of their youth.

[Curating Contemporary Music Festivals](#) Aug 11 2021 Contemporary music, like other arts, is dealing with the rise of «curators» laying claim to everything from festivals to playlists – but what are they and what do they do anyway? Drawing from backgrounds ranging from curatorial studies to festival studies and musicology, Brandon Farnsworth lays out a theory for understanding curatorial practices in contemporary music, and how they could be a solution to the field's diminishing social relevance. The volume focuses on two case studies, the Munich Biennale for New Music Theatre, and the Maerzmusik Festival at the Berliner Festspiele, putting them in a transdisciplinary history of curatorial practice, and showing what music curatorial practice can be.

[Vampires in the Lemon Grove](#) May 08 2021 From the author of the novel *Swamplandia!*—a finalist for the Pulitzer Prize—comes a magical and uniquely daring collection of stories that showcases the author's gifts at their inimitable best. Within these pages, a community of girls held captive in a Japanese silk factory slowly transmutes into human silkworms and plot revolution; a group of boys stumble upon a mutilated scarecrow that bears an uncanny resemblance to a missing classmate that they used to torment; a family's disastrous quest for land in the American West has grave consequences; and in the marvelous title story, two vampires in a sun-drenched lemon grove try to slake their thirst for blood and come to terms with their immortal relationship. Named a Best Book of the Year by: *The Boston Globe*, *The Oprah Magazine* [Huffington Post](#) *The A.V. Club* *A Washington Post* *Notable Book* *An NPR Great Read* of 2013

[The Magicians #4](#) Jan 24 2020 After discovering carnage in the midst of the Brakebills library, it's clear that there is something much bigger at hand than the rivalry between the hedge witches and the traditional magicians. Someone, or something sinister is at work, and Dean Fogg will finally have to reveal the truth behind opening the doors of Brakebills to the hedges... and what it means for their future.

[Theories of Art Today](#) Jun 28 2020 What is art? The contributors to *Theories of Art Today* address the assertion that the term "art" no longer holds meaning. They explore a variety of issues including: aesthetic and institutional theories of art, feminist perspectives on the philosophy of art, the question of whether art is a cluster concept, and the relevance of tribal art to philosophical aesthetics. Contributors to this book include such distinguished philosophers and historians as Arthur Danto, Joseph Margolis, and George Dickie.

[The Evolution of Mara Dyer](#) Nov 02 2020 Mara Dyer knows she isn't crazy. She knows that she can kill with her mind, and that Noah can heal with his. Mara also knows that somehow, Jude is not a hallucination. He is alive. Unfortunately, convincing her family and doctors that she's not unstable and doesn't need to be hospitalised isn't easy. The only person who actually believes her is Noah. But being with Noah is dangerous and Mara is in constant fear that she might hurt him. She needs to learn how to control her power, and fast! Together, Mara and Noah must try and figure out exactly how Jude survived when the asylum collapsed, and how he knows so much about her strange ability... before anyone else ends up dead!

[Imaging Desire](#) Apr 26 2020 In the 1970s, Kelly's transgressive projects helped to instigate conceptual art's second phase; her daring critiques of the female body as a fetishized, allegorized, commodified site were debated long after they were first seen in galleries and discussed in catalogues, and long before the debut of the "bad girls" in the 1990s. In fact, the debates currently surrounding Kelly's work are a necessary and defining element of theoretical discourse about art today.

[Summer Days and Summer Nights](#) Feb 23 2020 Maybe it's the long, lazy days, or maybe it's the heat making everyone a little bit crazy. Whatever the reason, summer is the perfect time for love to bloom. *Summer Days and Summer Nights: Twelve Love Stories*, written by twelve bestselling young adult writers and edited by the international bestselling Stephanie Perkins, will have you dreaming of sunset strolls by the lake. So set out your beach chair and grab your sunglasses. You have twelve reasons this summer to soak up the sun and fall in love.

[The Four Lives of Steve Jobs](#) Jul 10 2021 *The Four Lives of Steve Jobs* Daniel Ichbiah No. 1 on the best-sellers list in August 2011 (French version). New edition updated in 2016 "So at thirty I was out. And very publicly out. What had been the focus of my entire adult life was gone, and it was devastating... ..I didn't see it then, but it turned out that getting fired from Apple was the best thing that could have ever happened to me." This was Steve Jobs' confession on that morning in June 2005 to students at Stanford University. It summed up the growth that was slowly taking place in him. Chased out of Apple like scum in 1985, Jobs had made a resounding comeback ten years later and gave us devices that left a mark on their time, such as the iPod, iPhone and iPad. The world's most admired CEO, Steve Jobs mostly went against the tide, driven by a vision of genius and an extraordinary strength of conviction. However, he could also get it wrong: he was the one who nearly ruined Apple in 1984 after launching the Macintosh by insisting on poor technical choices! The 4 lives of Steve Jobs depicts Jobs' troubled youth, his rise to glory following the founding of Apple, his disgrace and his vain attempt at revenge followed by a return to the top. It also reveals a thousand unexpected facets of the extraordinary artist who ran Apple. * His quest for enlightenment in India * His initial refusal to recognize the paternity of his daughter Lisa * His relationship with folk singer Joan Baez * The search for his mother, who abandoned him at birth * The attempt to treat his cancer with a vegetarian diet In his own way, Steve Jobs never stopped wanting to change the world, to change life... A best-seller Published by Leduc Editions in April 2011, the French version of *The Four Lives of Steve Jobs* was a number one best-seller at the end of August, 2011.

[Le roi magicien](#) Jul 22 2022 Le temps a passé depuis les aventures contées dans *Les Magiciens*. Quentin, Julia, Eliot et Janet sont désormais les souverains de Fillory, le royaume magique de leurs lectures enfantines. Mais le merveilleux tourne parfois au noir. Un oracle de mort et de destruction tombe sur le pays enchanté. Enigmes et menaces entraînent Quentin et Julia dans un nouveau périple. La quête qui les attend passe par l'Amérique, traverse l'école de Brakebills, s'attarde à Venise pour y rencontrer un dragon, plonge entre les mondes et jusque dans l'au-delà. Les sept clés d'or sauveront-elles Fillory ? Et le plus grand mystère ne viendrait-il pas de Julia elle-même, dont la découverte de la magie a suivi un chemin obscur ?

[The Magicians #1](#) Jun 21 2022 Series creator Lev Grossman returns to BOOM! Studios for an all-new story in the world of *The Magicians* with Lilah Sturges and artist Pius Bak that features the first appearance of the next generation of heroes and villains! Long after Quentin Coldwater has graduated from Brakebills, Dean Fogg welcomes the first class in Brakebills history to include hedge magicians, who are known for being dangerous practitioners of unsanctioned magic. As these two student bodies clash to prove their superiority, everyone at Brakebills is forced to take a side – not realizing a new threat has targeted them all! But the reason for this change at Brakebills will rock them to their core – and shock longtime fans of *The Magicians*!

[Help! We Need a Title!](#) Mar 06 2021 The best-selling creator of *Press Here* presents a not-quite-finished story featuring sketched characters who are surprised by the reader and who attempt to track down their author in the hope of finding a happy ending.

[The Art of the Uncharted Trilogy](#) Jun 09 2021 Adventure alongside Nathan Drake, as Dark Horse Books and Naughty Dog team up to bring you this breathtaking, comprehensive exploration into the *Uncharted* saga! [The Magicians: New Class](#) May 20 2022 THE NEW CLASS STARTS HERE! Long after Quentin and his friends have graduated from Brakebills College for Magical Pedagogy, Dean Fogg invites a historic new group of students to enroll– the first ever class of hedge magicians, rogue practitioners of unsanctioned magic. But the traditional magicians aren't too thrilled to have the rule-breaking outcasts in their hallowed halls, and tempers flare as the student bodies clash to prove their superiority – not realizing a new danger has emerged to threaten them all. The malevolence behind the threat at Brakebills will rock everyone to their cores – and even shock longtime fans of *The Magicians*! New York Times bestselling series creator Lev Grossman returns with an all-new story in the world of *The Magicians* with award-winning writer Lilah Sturges (*The Magicians: Alice's Story*) and rising star artist Pius Bak that features the first appearance of the next generation of heroes and villains. *Collects The Magicians #1–5*.

[Les Magiciens](#) Jan 16 2022 «Un Harry Potter pour adultes.» *The New York Times*. «Luxuriant et inventif... Original et passionnant... Les Magiciens est un grand conte de fées.» *The Washington Post*. Brooklyn. Quentin, dix-sept ans, est un adolescent brillant mais il ronge son frein, prisonnier d'un monde désespérément ennuyeux, en attendant d'intégrer une université de prestige. Comme il regrette le temps de son enfance où les Chroniques de Fillory l'entraînaient dans un univers magique où tromper son ennui! Mais sa vie se transforme le jour où, à sa grande stupeur, il est admis à la faculté de Brakebills, une école extrêmement élitiste et secrète qui forme des magiciens. Cinq années d'un rude et dangereux apprentissage l'y attendent. Mais le monde réel, même revu par la magie, n'apporte pas forcément le bonheur. Ce qu'il faudrait, c'est que l'univers de Fillory, celui des contes de son enfance, ne soit pas un monde imaginaire. Qui sait ?...

[The Spiritual Quest](#) Apr 07 2021 This treatise argues that the quest for the spirit is not a rare mystical experience, but a frequent expression of basic human impulses, rooted in our biological, psychological and social nature. It presents the quest in the myths and religious practices of tribal people throughout the world.

[The Magician King](#) Apr 19 2022 Return to Fillory in the riveting sequel to the New York Times bestseller and literary phenomenon, *The Magicians*, now an original series on SYFY, from the author of the #1 bestselling *The Magician's Land*. The Glass Word Jul 18 2019 When they emerge from Hell, Merle, her friend Junipa who has mirrors for eyes, and Vermithrax the flying stone lion find themselves in Egypt. Of course the Flowing Queen is with them as well, since Merle swallowed her back in Venice. There is something very wrong in Egypt--it is freezing cold, and everything is covered in snow. Winter is here, looking for his lost love, Summer. And another creature is here as well--Seth, the highest of the Horus priests. Betrayed by the pharaoh and his sphinx henchmen, Seth is seeking revenge. Together they travel to the Iron Eye, the vast fortress of the sphinxes. But what does the Flowing Queen want Merle to do there? Meanwhile Serafin, the master thief, the beautiful sphinx Lalapeya, and Eft, the mermaid, are also headed for Egypt. They are traveling underwater, in a submarine piloted by pirates. Serafin is not sure what they can do to fight the pharaoh, but he knows surrender is not an option. Egypt has captured and enslaved his beloved Venice, and he and the others must fight the empire no matter what the cost. But the final battle will not be one that Serafin has even imagined--and the cost will be high indeed.

Daughter from the Dark Aug 19 2019 In this extraordinary stand-alone novel, the authors and translator of Vita Nostra--a "dark Harry Potter on steroids with a hefty dose of metaphysics" (award-winning author Aliette de Bodard)--return with a story about creation, music, and companionship filled with their hallmark elements of subtle magic and fantasy. Late one night, fate brings together DJ Aspirin and ten-year-old Alyona. After he tries to save her from imminent danger, she ends up at his apartment. But in the morning sinister doubts set in. Who is Alyona? A young con artist? A plant for a nefarious blackmailer? Or perhaps a long-lost daughter Aspirin never knew existed? Whoever this mysterious girl is, she now refuses to leave. A game of cat-and-mouse has begun. Claiming that she is a musical prodigy, Alyona insists she must play a complicated violin piece to find her brother. Confused and wary, Aspirin knows one thing: he wants her out of his apartment and his life. Yet every attempt to get rid of her is thwarted by an unusual protector: her plush teddy bear that may just transform into a fearsome monster. Alyona tells Aspirin that if he would just allow her to do her work, she'll leave him--and this world. He can then return to the shallow life he led before her. But as outside forces begin to coalesce, threatening to finally separate them, Aspirin makes a startling discovery about himself and this ethereal, eerie child.

Dangerous Women 1 Dec 23 2019 A collection of seven short stories celebrates dangerous women, both heroines and villains, and includes contributions by George R.R. Martin, Carrie Vaughn, and Lawrence Block.

La terre du magicien Jan 04 2021 LA SAGA QUI A INSPIRÉ LA SÉRIE ÉVÉNEMENT THE MAGICIENS. Quentin a tout perdu. Privé de sa couronne, chassé du royaume de Fillory qui lui est désormais interdit, irrémédiablement séparé de ses amis les plus chers, il n'est plus qu'un marginal errant sans repères et sans espoir. Retourner à Brakebills, le foyer de son apprentissage, pour y enseigner à son tour ? Ce ne sera qu'un amer feu de paille. Alors pourquoi ne pas s'acoquiner avec ce groupe hétéroclite de magiciens à la petite semaine, recrutés pour s'emparer, façon commando, d'une valise mystérieuse au contenu peut-être bien inestimable ? De pérégrinations en découvertes, de secrets enfouis en révélations éblouissantes, il est vrai que tous les chemins mènent à Fillory. Fillory qui se meurt. La fin des temps est annoncée ; les nouveaux souverains ont entrepris une quête désespérée... « La terre du magicien est le plus puissant des livres de la trilogie. Non seulement il donne aux quêtes de Quentin Coldwater une conclusion qui nous comble, mais il se penche sur des problèmes complexes tels que l'identité et la personnalité, dans une démarche aussi profonde que réjouissante. » Edan Lepucki, The New York Times Book Review

The Magicians #5 Oct 13 2021 As the true reason behind Brakebills welcoming Hedge Witches comes to light, the students realize that they are in even more danger than they realized. With their terrible secret bound in magic and blood, the students and adults are all heading blind into the coming storm.

Le Roi Magicien Feb 17 2022 LA SAGA QUI A INSPIRÉ LA SÉRIE ÉVÉNEMENT THE MAGICIENS. Le temps a passé depuis les aventures contées dans Les Magiciens. Quentin, Julia, Eliot et Janet sont désormais les souverains de Fillory, le royaume magique de leurs lectures enfantines. Mais le merveilleux tourne parfois au noir. Et de graves incidents troublent la quiétude du château royal. Un oracle de mort et de destruction tombe sur le pays enchanté. Énigmes et menaces entraînent Quentin et Julia dans un nouveau périple. Les sept clés d'or sauveront-elles Fillory ? Et le plus grand mystère ne viendrait-il pas de Julia elle-même, dont la découverte de la magie a suivi un cheminement obscur ? « Le roi magicien est L'attrape-cœurs des passionnés d'univers parallèles. Grossman a conçu un roman rare, étrange, pétillant. » (The Chicago Tribune.) « Le roi magicien est une réussite exceptionnelle, un livre qui critique et célèbre en même temps notre profond appétit pour la fantasy. » (The Boston Globe.) « Un roman digne et sincère qui bouleverse de fond en comble la mécanique de la fantasy. » (The New York Times.)

The Magician's Land Aug 23 2022 The stunning conclusion to the #1 New York Times bestselling Magicians trilogy, now an original series on SYFY #1 NEW YORK TIMES BESTSELLER A NEW YORK TIMES NOTABLE BOOK OF THE YEAR ONE OF THE YEAR'S BEST BOOKS The San Francisco Chronicle • Salon • The Christian Science Monitor • AV Club • BuzzFeed • Kirkus • NY 1 • Bustle • The Globe and Mail Quentin Coldwater has been cast out of Fillory, the secret magical land of his childhood dreams. With nothing left to lose he returns to where his story began, the Brakebills Preparatory College of Magic. But he can't hide from his past, and it's not long before it comes looking for him. Along with Plum, a brilliant young undergraduate with a dark secret of her own, Quentin sets out on a crooked path through a magical demimonde of gray magic and desperate characters. But all roads lead back to Fillory, and his new life takes him to old haunts, like Antarctica, and to buried secrets and old friends he thought were lost forever. He uncovers the key to a sorcery masterwork, a spell that could create magical utopia, a new Fillory--but casting it will set in motion a chain of events that will bring Earth and Fillory crashing together. To save them he will have to risk sacrificing everything. The Magician's Land is an intricate thriller, a fantastical epic, and an epic of love and redemption that brings the Magicians trilogy to a magnificent conclusion, confirming it as one of the great achievements in modern fantasy. It's the story of a boy becoming a man, an apprentice becoming a master, and a broken land finally becoming whole.

Decadence and Literature Aug 31 2020 Decadence and Literature explains how the concept of decadence developed since Roman times into a major cultural trope with broad explanatory power. No longer just a term of opprobrium for mannered art or immoral behaviour, decadence today describes complex cultural and social responses to modernity in all its forms. From the Roman emperor's indulgence in luxurious excess as both personal vice and political control, to the Enlightenment libertine's rational pursuit of hedonism, to the nineteenth-century dandy's simultaneous delight and distaste with modern urban life, decadence has emerged as a way of taking cultural stock of major social changes. These changes include the role of women in forms of artistic expression and social participation formerly reserved for men, as well as the increasing acceptance of LGBTQ+ relationships, a development with a direct relationship to decadence. Today, decadence seems more important than ever to an informed understanding of contemporary anxieties and uncertainties.

The Ruin of Kings Feb 05 2021 "Everything epic fantasy should be: rich, cruel, gorgeous, brilliant, enthralling and deeply, deeply satisfying. I loved it."--Lev Grossman, author of The Magicians When destiny calls, there's no fighting back. Kihrin grew up in the slums of Quur, a thief and a minstrel's son raised on tales of long-lost princes and magnificent quests. When he is claimed against his will as the missing son of a treasonous prince, Kihrin finds himself at the mercy of his new family's ruthless power plays and political ambitions. Practically a prisoner, Kihrin discovers that being a long-lost prince is nothing like what the storybooks promised. The storybooks have lied about a lot of other things, too: dragons, demons, gods, prophecies, and how the hero always wins. Then again, maybe he isn't the hero after all. For Kihrin is not destined to save the world. He's destined to destroy it. Jenn Lyons begins the Chorus of Dragons series with The Ruin of Kings, an epic fantasy novel about a man who discovers his fate is tied to the future of an empire.

The Bone Clocks Nov 21 2019 The New York Times bestseller by the author of Cloud Atlas • Longlisted for the Man Booker Prize • Named One of the Top Ten Fiction Books of the Year by Time, Entertainment Weekly, and O: The Oprah Magazine • A New York Times Notable Book • An American Library Association Notable Book • Winner of the World Fantasy Award "With The Bone Clocks, [David] Mitchell rises to meet and match the legacy of Cloud Atlas."--Los Angeles Times Following a terrible fight with her mother over her boyfriend, fifteen-year-old Holly Sykes slams the door on her family and her old life. But Holly is no typical teenage runaway: A sensitive child once contacted by voices she knew only as "the radio people," Holly is a lightning rod for psychic phenomena. Now, as she wanders deeper into the English countryside, visions and coincidences reorder her reality until they assume the aura of a nightmare brought to life. For Holly has caught the attention of a cabal of dangerous mystics--and their enemies. But her lost weekend is merely the prelude to a shocking disappearance that leaves her family irrevocably scarred. This unsolved mystery will echo through every decade of Holly's life, affecting all the people Holly loves--even the ones who are not yet born. A Cambridge scholarship boy grooming himself for wealth and influence, a conflicted father who feels alive only while reporting on the war in Iraq, a middle-aged writer mourning his exile from the bestseller list--all have a part to play in this surreal, invisible war on the margins of our world. From the medieval Swiss Alps to the nineteenth-century Australian bush, from a hotel in Shanghai to a Manhattan townhouse in the near future, their stories come together in moments of everyday grace and extraordinary wonder. Rich with character and realms of possibility, The Bone Clocks is a kaleidoscopic novel that begs to be taken apart and put back together by a writer The Washington Post calls "the novelist who's been showing us the future of fiction." An elegant conjurer of interconnected tales, a genre-bending daredevil, and a master prose stylist, David Mitchell has become one of the leading literary voices of his generation. His hypnotic new novel, The Bone Clocks, crackles with invention and wit and sheer storytelling pleasure--it is fiction at its most spellbinding. Named to more than 20 year-end best of lists, including NPR • San Francisco Chronicle • The Atlantic • The Guardian • Slate • BuzzFeed "One of the most entertaining and thrilling novels I've read in a long time."--Meg Wolitzer, NPR "[Mitchell] writes with a furious intensity and slapped-awake vitality, with a delight in language and all the rabbit holes of experience."--The New York Times Book Review "Intensely compelling . . . fantastically witty . . . offers up a rich selection of domestic realism, gothic fantasy and apocalyptic speculation."--The Washington Post "[A] time-traveling, culture-crossing, genre-bending marvel of a novel."--O: The Oprah Magazine "Great fun . . . a tour de force . . . [Mitchell] channels his narrators with vivid expertise."--San Francisco Chronicle

An Introduction to Visual Culture May 28 2020 The author traces the history and theory of visual culture asking how and why visual media have become so central to contemporary everyday life. He explores a wide range of visual forms, including painting, sculpture, photography, television, cinema, virtual reality, and the Internet while addressing the subjects of race, ethnicity, gender, sexuality, the body, and the international media event that followed the death of Princess Diana.

Mesopotamian Magic Sep 19 2019 This volume, edited by Tzvi Zbusch and Karel van der Toorn, contains the papers delivered at the first international conference on Mesopotamian magic held under the auspices of the Netherlands Institute for Advanced Studies (NIAS) in June 1995. It is the first collective volume dedicated to the study of this topic. It aims at serving as a bench-mark and provides analytic and innovative but also synthetic and programmatic essays. Magical texts, forms, and traditions from the Mesopotamian cultural worlds of the third millennium BCE through the first millennium CE, in the Sumerian, Akkadian and Aramaic languages as well as in art, are examined.

The Stranger from the Sea Jul 30 2020 The Stranger From the Sea is the eighth novel in Winston Graham's hugely popular Poldark series, and continues the story after the fifth TV series, which has become an international phenomenon, starring Aidan Turner. Cornwall 1810. The Poldark family awaits the return of Ross from his mission to Wellington's army in Portugal. But their ordered existence ends with Jeremy Poldark's dramatic rescue of the stranger from the sea. Stephen Carrington's arrival in the Poldark household changes all their lives. For Clowance and Jeremy in particular, the children of Ross and Demelza, Stephen's advent is the key to a new world -- one of both love and danger. The Stranger From The Sea is followed by the ninth book in the Poldark series, The Miller's Dance.

Soleri Dec 03 2020 "The ruling family of the Soleri Empire has been in power longer than even the calendars that stretch back 2,826 years. Those records tell a history of conquest and domination by a people descended from gods, older than anything in the known world. No living person has seen them for centuries, yet their grip on their four subjugate kingdoms remains tighter than ever. On the day of the annual eclipse, the Harkan king, Arko-Hark Wadi, sets off on a hunt and shirks his duty rather than bow to the emperor. Ren, his son and heir, is a prisoner in the capital, while his daughters struggle against their own chains. Merit, the eldest, has found a way to stand against imperial law and marry the man she desires, but needs her sister's help, and Kepi has her own ideas. Meanwhile, Sarra Amunet, Mother Priestess of the sun god's cult, holds the keys to the end of an empire and a past betrayal that could shatter her family."--Amazon.com

Martin "Sad, hilarious, beautiful, and essential to anyone who cares about modern fantasy." –Joe Hill "A very knowing and wonderful take on the wizard school genre." –John Green "The Magicians may just be the most subversive, gripping and enchanting fantasy novel I've read this century." –Cory Doctorow "This gripping novel draws on the conventions of contemporary and classic fantasy novels in order to upend them . . . an unexpectedly moving coming-of-age story." –The New Yorker "The best urban fantasy in years." –A.V. Club Quentin Coldwater is brilliant but miserable. A high school math genius, he's secretly fascinated with a series of children's fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more dangerous than he ever could have imagined. . . . The prequel to the New York Times bestselling book The Magician King and the #1 bestseller The Magician's Land, The Magicians is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination.

The Ruined Archive Oct 01 2020 La quatrième de couverture indique: "How does the modern museum respond to the movement, migrations and mobilities of the modern world that exceed its practices and premises? The essays in this volume circulate in the constellation of cultural, postcolonial and museum studies to propose a series of intersecting perspectives promoting critical responses to this ongoing interrogation. Memory, the archive, and the politics of display, are unwound from their institutional moorings and allowed to drift into other, frequently non-authorised, accounts of time and space. Called upon to negotiate unplanned encounters with unsuspected actors and the obscured sides of modernity, the museum becomes an experimental space, a laboratory for a cultural democracy yet to come."

Documenting the Documentary Sep 12 2021 Originally released in 1998, *Documenting the Documentary* responded to a scholarly landscape in which documentary film was largely understudied and undervalued aesthetically, and analyzed instead through issues of ethics, politics, and film technology. Editors Barry Keith Grant and Jeannette Slonowski addressed this gap by presenting a useful survey of the artistic and persuasive aspects of documentary film from a range of critical viewpoints. This new edition of *Documenting the Documentary* adds five new essays on more recent films in addition to the text of the first edition. Thirty-one film and media scholars, many of them among the most important voices in the area of documentary film, cover the significant developments in the history of documentary filmmaking from Nanook of the North (1922), the first commercially released documentary feature, to contemporary independent film and video productions like Werner Herzog's *Grizzly Man* (2005) and the controversial *Borat* (2006). The works discussed also include representative examples of many important national and stylistic movements and various production contexts, from mainstream to avant-garde. In all, this volume offers a series of rich and revealing analyses of those "regimes of truth" that still fascinate filmgoers as much today as they did at the very beginnings of film history. As documentary film and visual media become increasingly important ways for audiences to process news and information, *Documenting the Documentary* continues to be a vital resource to understanding the genre. Students and teachers of film studies and fans of documentary film will appreciate this expanded classic volume.
