Mindful Mr. Sloth

Jan 24 2020 Sasha has one speed--fast. She loves to do lots of things, all at once, as fast as possible. Mr. Sloth has one speed--slow. He loves to do things one at a

time, at a nice, easy pace. Can Mr. Sloth's mindful ways teach Sasha to slow down and enjoy life? Best-selling author Katy Hudson gently weaves a mindfulness theme into this unlikely friendship tale between an

energetic girl and a sloth, encouraging children to stop, breathe, and be present in every moment.

Whispers From The Dead Dec 23 2019 Rose Webb wasn't given a choice. Fate, it seemed, had its own plan. After

watching her family die at the hands of a trio of demonic Vampires, she was tortured, raped, and killed by them over and over again. There seemed only one way out... But that meant becoming the one thing she loathed above all else: a Vampire. In the aftermath of THE BRIMSTONE BETRAYAL, Rose's life has fallen to shambles under accusations of corruption and collusion with the enemy. Her career with the Brimstone Syndicate is in jeopardy as she's branded a rogue Vampire. Her partners, a Werewolf named Toby and a Goblin called Karl, don't trust her, and it seems everyone is

hunting her. In a tale that takes Rose from the underbelly of Las Vegas to the deepest depths of her soul, she must face her past and listen to the whispers from the dead. Genre: Fantasy/Science Fiction/Paranormal/Mystery/Suspense Read both trilling books from author Terence West! THE BRIMSTONE BETRAYAL [THE BRIMSTONE CONSPIRACY BOOK 1] WHISPERS FROM THE DEAD [THE BRIMSTONE CONSPIRACY BOOK 2] **Illicit** Jun 28 2020 In Cathy Clamp's Illicit, when a border dispute between two bear clans destabilizes shapeshifter relations

throughout Europe and threatens to reveal their existence to humans, the Sazi High Council orders both sides to the negotiation table. The peace talks take place in Luna Lake, the American community where all shifter species-- wolf, cat, bird, bear, and more--live in harmony. Diplomats, their families, and security personnel stream into town, among them Dalvin Adway, a Wolven agent. Dalvin is startled to find Rachel Washington in Luna Lake. The last time he saw her, they were children in Detroit. Then she was kidnapped and, he thought, murdered. But Rachel became an owl-shifter as a

result of the attack and has avoided family and old friends ever since, knowing they would not understand her. She's stunned to see Dalvin and learn that he, too, is an owl-shifter. Their wary friendship is on the brink of becoming something more when conspiracy and betrayal cause the peace talks to break down. The fight between the bear clans will be settled through a form of traditional challenge--a risky tactic that might lead to full-blown war. Rachel is determined to prevent that, even if it means taking up the challenge herself! At the Publisher's request, this title is being sold without Digital

Rights Management Software (DRM) applied.

The Cry of the Sloth Aug 19 2019
Living on a diet of fried Spam, vodka, sardines, cupcakes, and Southern Comfort, Andrew Whittaker is slowly being sucked into the morass of middle age. A negligent landlord, small-time literary journal editor, and aspiring novelist, he is--quite literally--authoring his own downfall. From his letters, diary entries, and fragments of fiction, to grocery lists and posted signs, this novel is a collection of everything Whittaker commits to paper over the course of four critical months. Beginning in July,

during the economic hardships of the Nixon era, we witness our hero hounded by tenants and creditors, harassed by a loathsome local arts group, and tormented by his ex-wife. Determined to redeem his failures and eviscerate his enemies, Whittaker hatches a grand plan. But as winter nears, his difficulties accumulate, and the disorder of his life threatens to overwhelm him. As his hold on reality weakens and his schemes grow wilder, his self-image as a placid and slow-moving sloth evolves into that of a bizarre and frantic creature driven mad by solitude. In this

tragicomic portrait of a literary life, Sam Savage proves that all the evidence is in the writing, that all the world is, indeed, a stage, and that escape from the mind's prison requires a command performance.

Tracing Stars Apr 07 2021 A charming novel about sisterhood, self-identity, and friendship from the author of Flutter Indie Lee Chickory knows she's not as cool as her older sister Bebe. Bebe has more friends, for one. And no one tells Bebe she's a fish freak, for two. So when Indie accidentally brings

her pet lobster to school, makes a scene, loses him in the ocean and embarrasses Bebe worse than usual, she makes a wish on a star to become a better Chickory. She tries to do this by joining the stage crew of the community's theater production, *The Sound of Music*. (Bebe has a starring role.) But Bebe is worried that Indie will embarrass her again, so she gives her a makeover and tells her who she should be friends with. That means Owen is out. But he's fun and smart, so Indie keeps her friendship with him a secret. At night, Indie and Owen rebuild a tree house into a ship in the sky to catch Indie's

pet lobster. But during the day, Indie has to hide her friendship with Owen. When things come to a head, Indie realizes that being true to yourself is more important than being cool. But what's even more surprising is that Bebe realizes it, too. Praise for *TRACING STARS* * "This improbable plot and spunky protagonist are appealing bait for a heartfelt, memorable story."--Kirkus Reviews, starred review * "This timeless story perfectly captures the growth that summer affords kids when, after endless days and nights, they emerge truer versions of themselves."--Booklist, starred

"Slowly, Slowly, Slowly," said the Sloth Jan 16 2022
Slowly, slowly, slowly . . . that's the way the sloth moves. Slowly, it eats and then, slowly, it falls asleep. "What strange kind of creature is this?" the other animals wonder. Why doesn't it run or fly or play or hunt like the rest of us? "Why are you so slow?" the howler monkey inquires. But the sloth doesn't answer any questions until the jaguar asks, "Why are you so lazy?" Anyone who has ever felt too busy will appreciate the

sloth's peaceful lifestyle and realize that it's okay to take time to enjoy life. Eric Carle's dazzling collage illustrations introduce readers to the exotic beauty of the Amazon rain forest and the many unusual animals living there.
Abiding Sloth (A Dark Mafia Romance) Jun 09 2021 Now is my time. Free from the shackles of my lies. Exposed to those who would oppose me. I've made all the right moves. Aligned things perfectly to fall into place precisely. Once my final plan is set in motion... No one will be in a position to stop it. Not even God himself. I'll pay for my sins when my time on this planet

has ended. But I'm prepared to do my penance. And I'll offer my enemies absolution before I pull the trigger. It's the least I can do before I take this city into my death grip. People say the Devil once lived in Chicago... They haven't seen anything yet.
Abiding Sloth is the fifteenth book in The Deadliest Sin Series about organized crime in Chicago. This series is best read in order, as the stories are chronological and each sin builds on the events of the previous one.
Sloth (A Dark Mafia Romance) Oct 21 2019 I've been hiding for decades. Watching and waiting. Calling the shots while maintaining the

ruse. Only I haven't been cowering in the shadows... I've been in plain sight. Veiled by the church and faith. This collar gives me the perfect cover. No one has ever suspected the truth. Of who and what I really am. But it's time to step from behind the cloth and into the light. Because Chicago is ripe for the taking. The families are warring. And now, I have an ally who will ensure my enemies will blow away in the wind this city is famous for with one little breath. ***Sloth is the thirteenth book in The Deadliest Sin Series about organized crime in Chicago. This series is best read in order, as the stories are chronological

and each sin builds on the events of the previous one.***

A Little Book of Sloth Sep 24 2022

Cozy up with adorable baby sloths in this irresistible photographic picture book. Hang around just like a sloth and get to know the delightful residents of the Avarios Sloth Sanctuary in Costa Rica, the world's largest sloth orphanage. You'll fall in love with bad-boy Mateo, ooh and ahh over baby Biscuit, and want to wrap your arms around champion cuddle buddy Ubu! From British filmmaker and sloth expert Lucy Cooke comes a hilarious, heart-melting photographic picture book

starring the laziest—and one of the cutest—animals on the planet. *The Sanctity of Sloth* Oct 13 2021 There's one thing more dangerous than testifying to a crime—staying silent. Locked in the ruins of a California Mission, Abby Travers watches helplessly as a girl dies outside her window. As she struggles between her moral obligation to come forward as a witness, and her commitment to a Medieval religious practice that requires her to retreat from the world, the situation spins out of control. Abby's hesitation starts a series of catastrophes. She finds herself at the center of a deadly

cover up where every minute counts and indecision could be fatal. She questions all her beliefs and everyone she knows becomes suspect. To save herself and those she loves, she must break free from her self-imposed prisons of stone and fear. The Sanctity of Sloth is a taut, psychological thriller that answers the question: What happens when a good woman does nothing? Fans of Paula Hawkins and A.J. Finn will enjoy this third book in Greta Boris's Seven Deadly Sins. The Seven Deadly Sins are not sequential, and can be read and enjoyed in any order. Procrastination is

perilous - get your copy today!
[The Little Book of Sloth Philosophy](#)
Nov 02 2020 Relax, unwind and soak up the wisdom of the sloth with the slowest page turner you'll ever read. From tidying and Hygge, to living Lagom, the endless pressure to be happier, live better, sleep soundly, and eat mindfully can be exhausting. But this year's lifestyle trend finally delivers the perfect antidote - welcome to the year of the sloth. Sloths are mindfulness in action. Contemplative, deliberate, relaxed, and focused. They resist the rat race, the incessant pressures from society to be more productive, and

they don't care how many steps they've logged on their fitness tracker. Long-limbed, a little bit shaggy, and a lot wide-eyed, they're wonderful creatures, not to mention completely adorable. Here you can enjoy take-it-slow wisdom inspired by sloths; including advice on sleep (more restorative than a 6am run), eating and 'exercise' (sloths are the original pioneers of slow food and yoga after all), work (did you know that lazy people have higher IQs?), family life, and love. Dispelling over-complicated myths about productivity, this brilliant book confirms that it really is OK to be a sloth.

Go to the Ark Mar

06 2021 Go to the Ark is a fascinating story on how the animals made their way to the Ark to escape God's judgment. All throughout their journey, the animals encounter some of the common stumbling blocks Christians face in their walk with Jesus. This story is an allegory of apologetics that will identify these stumbling blocks and help equip the believer to counteract them. This story will also cause you to think deeply about what you believe in light of God's judgment. As you journey with the animals you will be encouraged as your faith is strengthened with each encounter. Relax, get

comfortable, and begin reading a story like no other!
Not All Sloths Are Slow Sep 12 2021
Lost Sloth Feb 05 2021 Sloth's phone rings and rings. He races across the room to answer the call, but he's a sloth, so it takes a while. The phone says he's won an afternoon shopping spree! Can the sloth get to the store in time to claim his prize? Yes, but it's going to take an impromptu zipline, a missed bus, a parkful of trees, an oblivious ice-cream vendor, a rainbow hang glider, and an out-of-control shopping cart to make it happen. As soon as the spree begins, the sloth crashes into a pillow display and falls asleep,

exhausted from excitement. When he awakes, he finds himself the proud and happy owner of several fine new pillows. Mission accomplished.

Sloth Went Dec 15 2021 This hilarious picture book is about a sloth on the go. A sloth who is . . . very slowly . . . making his way to a major milestone: potty training! Today is Sloth's big day. He's excited. But he's also nervous. What if something happens? What if NOTHING happens? Sloth Went is a book about poop. But it's

also an adventure story about facing your fears, gaining independence, and

learning to do what you have to. Even if, as in Sloth's case, it takes a little while to get there.

Also included: back matter with the amazing true story of how sloths poop!
