**How to Write a Children's Book in 30 Days Or Less!** Jun 15 2021 The first time I attempted to write a children's book, it took me three months and several years of promising myself that I would do it "one day." In that time, I managed to wash the dog, rearrange my closet, get my apartment so clean that they should have done a commercial about it and procrastinate in ways that gave the word a new name. When I actually sat down to write the book, it took me two days. That is the longest it has ever taken me to actually write a children's book, since then. In reality, unless you are writing an epic, it will not take you more than that period of time to write yours either, after you read this book. Why then the title *How to Write a Children's Book in 30 Days or Less* ? So that you will have the time to wash the dog, clean the closets and get Mr. Clean to personally come in and interview you. If fear or the excuse that there is never enough time has kept you from fulfilling your dream, sit back, relax and prepare to be amazed. Your first book is just thirty days away.

**Spiritual Understanding in the Last Days: How to Persevere in Perilous Times** Dec 30 2019 From its inception, Christianity has been "a light that shineth in a dark place." A beacon of hope in a lost and dying world. Although continually besieged by the forces of darkness, "the light of the glorious gospel" is never extinguished. However, without continuous and broadening spiritual understanding, the light can be dimmed and thwarted in the hearts and minds of the messengers. Especially true in these last days. Have you ever pondered the actual meaning and practicality of the following Scripture: "...put off the old man... and "put on the new man" (Eph. 4:22 & 24)? Exactly how is that accomplished? What is the significance of the believer being "circumcised with the circumcision made without hands" (Col. 2:11)? When and how did that occur? Or the reality of the apostle Paul's declaration: "I am crucified with Christ: nevertheless I live..." (Gal. 2:20)? The answers to these enigmatic questions (unveiled in this book) provide a panorama of spiritual understanding essential to persevere in the perilous times in which we live. Pastor Arnold Wayne Weckeman received his formal education at First Bible Church's Bible Institute, Staten Island, N.Y. Before his ordination, he served for ten years as a deacon, head deacon. Although involved in many of the church's evangelism ministries, his passion was discipleship. His life verse is 2 Timothy 2:2, "And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also." As the head deacon, he oversaw FBC's Discipleship Ministry teaching weekly classes on the biblical principles of "Spiritual Multiplication." In 2000 Pastor Weckeman and his wife Sandra moved to Pike Co. Pa. and began holding Bible studies in their home and Sunday services in Pike County, PA. As the Lord blessed and the ministry grew, a decision was made to establish First Bible Church in Lord's Valley. Pastor Wayne and his wife, Sandra, presently reside in Buckeye, Arizona.

**How to Write a Novel in 90 Days** Oct 08 2020 This concise guide tells you how to write a novel by using a systematic approach to writing. This guide is written by an author not a 'guru'. A simple step by step breakdown of how to plan each day. No fillers and no theory, just the hard facts in a concise guide. There are many guides about writing novels on the market but how many of them are written by prolific published authors? The answer is 'not many'. How can anyone write a guide unless they have been through the writing process many times before? The simple answer to this question is they can't because they cannot feed on their own actual experiences to help another writer to avoid the mistakes and pitfalls. Most guides regurgitate information which they have picked up from creative writing books or sites. How can they give you advice when they have never sat down and focused on creating a novel which will sell, many times over? Writing a novel is the same as any other task we undertake as individuals. We have to learn how

to do it in order to do it well. When you first learn to drive, you need lessons. No one walks into the kitchen and creates a gourmet dish on their first attempt. If you want a system to apply to writing a book, then you need to take advice from an 'author' who has taken years to develop the process via experience.

I will give you the opportunity to analyse in depth every little secret about grammar and vocabulary, and you must really promise me that you will do everything you can to complete this rich training: consult online newspapers, watch films or TV series with subtitles, read a good book with a dictionary next to you, in short take every little opportunity to be in contact with Spanish as much as possible. Then there will be space for real dialogues in Spanish, the testing ground for your theoretical skills. When you go on holiday to a Spanish-speaking country or you will have to use Spanish in any other situation, you will just want to do your best. **HOW TO LEARN KOREAN IN 30 DAYS** Mar 25 2022 This book will make you learn KOREAN in just 30 days, starting from scratch. And this is more than a simple promise. Let me explain... The process is very simple: the book is divided into 30 chapters, one for each day, to allow you to learn the basis of this language in only one month. To get the most out of this course, you just have to follow one rule: read a chapter a day, nothing more, nothing less. If you abide by this rule and follow the instructions included in the book, the result is guaranteed. Forget the usual boring grammar lessons, anonymous and depersonalized. "HOW TO LEARN KOREAN IN 30 DAYS" was made with all the self-help chrisms, like a practical handbook, characterised by a personal, fun and stimulating style. It is filled with many curious anecdotes and advices useful not only to speak in KOREAN, but also to get by during a trip. If you are still not sure, keep on reading... From the preface of the Author... (...) When I started to learn Korean in Italy I could not find any textbook able to help me to fully understand the contemporary society and when I first set foot in Korea I felt really lost. I wish someone had taken my hand and shown me all the things that I came to know after years of direct experience. I also tried to be very objective in the exposition of the material: it happens often that the passion for Korea causes people (especially young girls) to have an idyllic image of this nation, without knowing and recognizing the problematic aspects too. "HOW TO LEARN KOREAN IN 30 DAYS" aims at being the fastest and most enjoyable method to learn Korean. The purpose is to study one chapter a day, for a total of 30 days. Every chapter starts from a cultural anecdote, slowly approaching a grammar rule, some words and many exercises to test yourself. Every chapter therefore will help you to understand Korea thoroughly. It is suitable both for those working and for those travelling... as well as for those who are only curious to learn something about this culture full of surprises! The difficult thing for a foreigner lies not only in verbal communication but also in understanding the culture of those giving hospitality. With this "little book" you can dive into the real South Korean culture, becoming, with some patience, little experts.
