**Fall Down 7 Times, Get Up 8** Oct 20 2021 A fresh approach to getting kids to work smarter and better, not just harder As teachers and parents, our job is to teach students to tackle challenges rather than avoid them. Award-winning teacher and best-selling author Debbie Silver addresses the relationship between student motivation and risking failure, calling failure a temporary "glitch" that provides valuable learning opportunities. She explains motivational theory, provides down-to-earth—often humorous—real life examples, and outlines concrete, applicable guidelines for helping students overcome setbacks and failure to foster lifelong success. Key topics include: How to help students become autonomous, enthusiastic, lifelong learners Why failure is not only an option, but a very concrete way of gaining ground The difference between a "pep talk" and specific, relevant feedback that enhances self-efficacy This reader-friendly guide?s examples of dialogue and vignettes demonstrate what to say when giving feedback to students. Also included is a discussion guide for teacher leaders. Teachers, parents, and other student advocates will find helpful strategies for helping students learn to solve problems, take risks, and pursue success with confidence. *Classroom Community Builders* Dec 30 2019 Students thrive in classrooms where they feel safe, welcome, and supported. Building a sense of community and teamwork is an effective means of facilitating student success. Burns skillfully blends community-building activities with real classroom content, providing students with opportunities to practice language skills while acclimatizing to the classroom. While intended primarily for language arts and English as a second language classrooms, Burns's activities readily adapt to a range of disciplines and age groups. Beginning with a section on setting classroom and instructor expectations, Burns moves on to team-building exercises focused on lesson content. His section on getting-to-know-you activities is designed to foster a sense of belonging, while the five get-to-know-your-teacher exercises introduce you to your students in a fun, relaxed manner. Supported by information on material requirements, time limits, and resources, *Classroom Community Builders* provides handouts and worksheets, available both within the book and online, offering new ideas to experienced and novice instructors alike.

**Teaching Kids to Thrive** Nov 28 2019 There's more to student success than standards and test scores... Integrating Social and Emotional Learning into a curriculum has been shown to increase personal and school-wide growth. With lifelong success the goal over simply meeting academic thresholds, *Teaching Kids to Thrive* presents strategies, activities, and stories in an approachable way to develop responsible, self-motivated learners. Uniting social, academic, and self-skills this instrumental resource offers benefits to students such as: Using mindfulness strategies to help students tap their inner strengths Learning to self-regulate and control other executive brain functions Developing growth mindsets along with perseverance and resilience Cultivating a sense of responsibility, honesty, and integrity Encouraging a capacity for empathy and gratitude

**Interactions One** Oct 27 2019 The three books in the *Interactions Integrated Skills Program* provide an in-depth coverage of the four major language skills: reading, writing, listening, and speaking. In addition, a strong grammar component acts as a foundation for students to rely on while mastering their new skills. The content and themes found in the new *Integrated Skills Editions* are based on materials from the highly successful *Interactions* series. Like its parent series, the *Integrated Skills Program* places a great emphasis on the development of skills and strategies in all language areas. All of the reading selections found in the *Interactions Integrated Skills Editions*, are fresh and new, with a wide variety of formats and themes. Each selection is accompanied by a host of reading strategies and skill-building practice activities including guessing meaning from context, reading for main ideas and details, skimming, scanning, and so on. The writing component features a step-by-step approach to process writing and rewriting in a variety of different genres. Grammar is always presented in the context of the chapter theme, and each grammar topic is accompanied by a number of communicative practice activities. Finally, the listening/speaking section features detailed practice with specific listening strategies and includes a variety of engaging speaking activities based on the chapter theme. The *Interactions Integrated Skills Program* also features an exciting video component, with practice activities featured in the opening sections of each chapter.

**The Strategic Teacher** Feb 09 2021 Are you looking for high-impact, research-based strategies to transform your students into high-achieving and inspired learners? In *The Strategic Teacher*, you'll find a repertoire of strategies designed and proven to meet today's high standards and reach diverse learners. Twenty reliable, flexible strategies (along with dozens of variations) are organized into these groups of instruction: \*mastery style to emphasize the development of student memory; \*understanding style to expand students' capacities to reason and explain; \*self-expressive style to stimulate and nourish students' imaginations and creativity; \*interpersonal style to help students find meaning in the relationships they forge as partners and team members, united in the act of learning; and \*four-style strategies that integrate all four styles. To guide teachers in delivering content to students, the authors started with the best research-based teaching and learning strategies and created a tool called the Strategic Dashboard. The dashboard provides information about each teaching strategy in a concise, visual profile; it is also designed to document how you incorporate current, highly respected research into your instructional plans. For each strategy, you'll find the following information: \*a brief introduction to the strategy; \*an example of a teacher using the strategy in the classroom; \*the research base supporting the strategy and how the strategy benefits students; \*how to implement the strategy using a list of clear steps; \*guidance through the planning process, providing steps, examples, and suggestions for designing superior lessons; and \*additional tools, strategies, and resources for adapting and expanding the use of each strategy. The authors have combined their years of research and practice to deliver reliable, high-impact, flexible teaching and learning strategies grounded in current, highly regarded research to teachers at all levels of experience. Note: This product listing is for the reflowable (ePub) version of the book.

**Teacher's Pet** Aug 25 2019 Sometimes the forbidden can be too hard to resist. Even for someone like me...I never would've imagined that I could be that person. I've read the stories, and seen the fallout. And yet here I am, befallen by the same fate as those who tried and failed before me. But has anyone ever felt this way about the forbidden lover? Sure he was of age, but would the world even care, or will they, if found out, just see the teacher and the student....She might be the teacher in class, but there's no doubt who takes the lead in our bed. I know she's worried about us being caught, so I'll do everything in my power to protect her, to keep anyone from knowing what we've come to mean to each other. But we've come too far to turn back. No matter what, no matter the risk, I won't let her go.
