Calico Captive Sep 20 2021 From a Newbery Medal-winning author, an "exciting novel" about a colonial girl's experience during the French and Indian War (Saturday Review). In the year 1754, the stillness of Charlestown, New Hampshire, is shattered by the terrifying cries of an Indian raid. Young Miriam Willard, on a day that had promised new happiness, finds herself instead a captive on a forest trail, caught up in the ebb and flow of the French and Indian War. It is a harrowing march north. Miriam can only force herself to the next stopping place, the next small portion of food, the next icy stream to be crossed. At the end of the trail waits a life of hard work and, perhaps, even a life of slavery. Mingled with her thoughts of Phineas Whitney, her sweetheart on his way to Harvard, is the crying of her sister's baby, *Captive*, born on the trail. Miriam and her companions finally reach Montreal, a city of shifting loyalties filled with the intrigue of war, and here, by a sudden twist of fortune, Miriam meets

the prominent Du Quesne family, who introduce her to a life she has never imagined. Based on an actual narrative diary published in 1807, *Calico Captive* skillfully reenacts an absorbing facet of history. "Vital and vivid, this short novel based on the actual captivity of a pre-Revolutionary girl of Charlestown, New Hampshire, presents American history with force and verve." —Kirkus Reviews

The Captive Aug 08 2020 A rural noir about a woman on a pulse-pounding expedition to deliver a fugitive—and forced to confront her own past on the journey In a secessionist rural state that has cut itself off completely from urban centers, where living is hardscabble and poor but "free," Brooke Holland runs a farm with her husband, Milo, and two daughters. Their life at the fringes of modern society is tenuous—they make barely enough from each harvest to keep going—yet Brooke cherishes the loving, peaceful life they have carved out for themselves. She has even begun to believe she is free from the violent history she has kept a secret from her family. When escaped criminal Stephen Cawley attacks at the farm, Brooke's buried talents surface, and she manages to quickly and harshly subdue him. She is convinced that he has come in retribution for the blood feud she thought she escaped years ago. Brooke sets out to bring Cawley to justice, planning to use the bounty on his head to hide her family far from danger. Fearing that other members of Cawley's infamous family will soon descend, Brooke insists Milo and the girls flee with her, travelling miles on foot across an unforgiving landscape to reach the nearest marshal. Their journey, started at the onset of winter with little preparation, brings already strained family dynamics to the breaking point. As Brooke's ghosts—both real and imagined—close in, the ruthlessness that let her survive her past may become the biggest threat to her hopes for a different future. What follows is a harrowing exploration of family loyalty, trauma, and resilience. As haunting and propulsive as it is powerfully written, *The Captive* is a thrilling debut novel about the impossible choices we make to survive and protect the ones we love.

The Captive Prince Sep 01 2022 Save the land, or follow his heart? Time has run out for Lord Domlen. The Fortress of Rain has been cursed by the enemy Boa Visk, his people trapped as phantoms within its walls, and the rain ever falling across his lands. If he does not break the curse soon, the trapped spirits will become revenir, ghosts that feed upon the life force of the living. He needs a miracle. And he gets one. He learns of a ritual that can break the curse and free his people. But nothing comes without a price, and the price is one Lord Domlen cannot bring himself to pay: the ritual demands blood—royal blood. Desperate, he abducts Prince Falken of Teirlan to be his blood sacrifice on the night of the red moon and forces all gentle emotion far, far away. He must save his people, even at the cost of an innocent life. But as the time of the ritual draws near, how will he find the strength to kill an innocent man? Especially one who reignites all the emotions he believed he'd buried so deeply away? Prince Falken, sorcerer from Teirlan, needs his magic to escape the Fortress of Rain, but the shackles on his wrists have cut him off from his power. When

he discovers the servants around him are actually spirits, he understands the stronghold is bound by dark forces—a curse that somehow revolves around his grim, noble captor. There is dark magic here, but how can he help the strong, enigmatic Domlen while he's trapped, his powers bound? There is greater magic than that of the curse, and Falken has resources beyond Domlen's ken. But when the ritual goes horribly wrong, how will Falken make his enemy trust him? And how will he save the man he's coming to love?
