***Bridget Jones Mad About the Boy* Jan 07 2021** When Helen Fielding first wrote *Bridget Jones’s Diary*, charting the life of a 30-something singleton in London in the 1990s, she introduced readers to one of the most beloved characters in modern literature. The book was published in 40 countries, sold more than 15 million copies worldwide, and spawned a best-selling sequel, *Bridget Jones: The Edge of Reason*. The two books were turned into major blockbuster films starring Renée Zellweger, Hugh Grant and Colin Firth. With her hotly anticipated third instalment, *Bridget Jones: Mad About the Boy*, Fielding introduces us to a whole new enticing phase of Bridget’s life set in contemporary London, including the challenges of maintaining sex appeal as the years roll by and the nightmare of drunken texting, the skinny jean, the disastrous email cc, total lack of twitter followers, and TVs that need 90 buttons and three remotes to simply turn on. An uproariously funny novel of modern life, *Bridget Jones: Mad About the Boy* is a triumphant return of our favourite Everywoman.

***Sex, Not Love** Jul 21 2019 From #1 New York Times Bestseller Vi Keeland, comes a new, sexy standalone novel. My relationship with Hunter Delucia started backwards. We met at a wedding—him sitting on the groom's side, me sitting on the bride's. Stealing glances at each other throughout the night, there was no denying an intense, mutual attraction. I caught the bouquet; he caught the garter. Hunter held me tightly while we danced and suggested we explore the chemistry sparking between us. His blunt, dirty mouth should've turned me off. But for some crazy reason, it had the opposite effect on me. We ended up back in my hotel room. The next morning, I headed home to New York leaving him behind in California with the wrong number. I thought about him often, but after my last relationship, I'd sworn off of charming, cocky, gorgeous-as-sin men. A year later, Hunter and I met again at the birth of our friends' baby. Our attraction hadn't dulled one bit. After a whirlwind trip, he demanded a real phone number this time. So I left him with my mother's—she could scare away any man with her talks of babies and marriage—and flew back home. I'd thought it was funny, until the following week when he rang the bell at Mom's house for Sunday night dinner. The crazy, gorgeous man had won over my mother and taken an eight-week assignment in my city. He proposed we spend that time screwing each other out of our systems. Eight weeks of mind-blowing sex with no strings attached? What did I have to lose? Nothing, I thought. It's just sex, not love. But you know what they say about the best laid plans...*

Scarred Regrets Aug 22 2019 Broken men don't fall in love. We linger in the darkness, consumed by the sins that define us. Irina is the sole reason my heart beats. She's everything that matters in a world filled with evil that a woman so good and pure should never have to see. She'll add another scar to my collection - this one engraved on my heart. When she's taken by our enemy to use for his vengeance. Even knowing she can never be mine, I'll stop at nothing to see her safe. The Irina I rescue isn't the same feisty woman they stole. Her soul is broken. Her heart is hollow like mine, because of the things she's seen. She needs me in a way I've never known. And I will destroy the man who shattered what's mine. Scarred Regrets is a full-length standalone romance, but the series presents a better reading experience when following the suggested order. This series contains dark elements, including over-the-top antiheroes who do as they please. Read at your own discretion.
