The Canadian War on Queers Aug 06 2020

From the 1950s to the late 1990s, agents of the state spied on, interrogated, and harassed gays and lesbians in Canada, employing social ideologies and other practices to construct their targets as threats to society. Based on official security documents and interviews with gays, lesbians, civil servants, and high-ranking officials, this path-breaking book discloses acts of state repression and forms of resistance that raise questions about just whose national security was being protected. Passionate and personalized, this account of how the state used the ideology of national security to wage war on its own people offers ways of understanding, and resisting, contemporary conflicts such as the "war on terror."

Financial Accounting Sep 30 2022 Financial Accounting Sixth Canadian Edition and its supplement package is the only product that can deliver a unique balanced procedural and conceptual (user-oriented) approach, with a proven pedagogy and a breadth of problem material in an engaging manner giving students the opportunity to "get accounting" by "doing accounting". The authors' worked tirelessly to create materials that engage students in the learning process, help them learn to learn, and at the same time bring to their attention the most current coverage of both sets of rapidly changing accounting standards, IFRS and ASPE.

Managerial Accounting May 27 2022

Accounting Principles, Volume 2 Feb 21 2022 Our top selling introductory accounting product Accounting Principles helps students succeed with its proven pedagogical framework,

technical currency and an unparalleled robust suite of study and practice resources. It has been praised for its outstanding visual design, excellent writing style and clarity of presentation. The new eighth edition provides more opportunities to use technology and new features that empower students to apply what they have learned in the classroom to the world outside the classroom.

Managerial Accounting Tools for Business Decision Making 6E with WileyPlus May 15 2021 Explores computer-intensive probability and statistics for ecosystem management decision making Simulation is an accessible way to explain probability and stochastic model behavior to beginners. This book introduces probability and statistics to future and practicing ecosystem managers by providing a comprehensive treatment of these two areas. The author presents a self-contained introduction for individuals involved in monitoring, assessing, and managing ecosystems and features intuitive, simulation-based explanations of probabilistic and statistical concepts. Mathematical programming details are provided for estimating ecosystem model parameters with Minimum Distance, a robust and computer-intensive method. The majority of examples illustrate how probability and statistics can be applied to ecosystem management challenges. There are over 50 exercises - making this book suitable for a lecture course in a natural resource and/or wildlife management department, or as the main text in a program of self-study. Key features: Reviews different approaches to wildlife and ecosystem management and inference. Uses simulation as an accessible way to explain probability and stochastic model behavior to beginners. Covers material from basic probability through to hierarchical Bayesian models and spatial/ spatio-temporal statistical inference. Provides detailed instructions for using R, along with complete R programs to recreate the output of the many examples presented. Provides an introduction to Geographic Information Systems (GIS) along with examples from Quantum GIS, a free GIS software package. A companion website featuring all R code and data used throughout the book. Solutions to all exercises are presented along with an online intelligent

tutoring system that supports readers who are using the book for self-study.

When I Say Yes Oct 27 2019 How should we talk about desire, power and equality in the wake of the #Me Too debate? For Carolin Emcke, bestselling author and winner of the German Peace Prize, the debate demonstrates one thing above all: a conversation about abuse and sexuality has emerged that can no longer be stifled. Too many questions remain unanswered: which images and concepts shape our imaginings of desire and revulsion? How is violence exposed and obstructed? How do the norms and structures into which men, women and those in between must fit get constructed? What gets hushed up, and who remains powerless? How can the plurality of desire and sexuality be expressed, without sacrificing their intricacies? By interrogating her own experiences as well as social practices, music and literature, Emcke demonstrates the enduring complexity of the relationship between sexuality and truth.

Pharmacoepidemiology Mar 13 2021 This classic, field-defining textbook, now in its sixth edition, provides the most comprehensive guidance available for anyone needing up-to-date information in pharmacoepidemiology. This edition has been fully revised and updated throughout and continues to provide a rounded view on all perspectives from academia, industry and regulatory bodies, addressing data sources, applications and methodologies with great clarity.

Accounting Principles Fourth Canadian Edition Part 1 Working Papers Oct 20 2021 The fourth Canadian edition of Weygandt, Kieso, Kimmel, Trenholm, Kinnear Accounting Principles has been carefully developed to build upon the highly regarded "Student Success" foundation for which it has become known over the years. The book has been praised by students and instructors across the country for its outstanding visual design, its carefully integrated pedagogy, and its excellent writing style and clarity of presentation; these key elements have been further enhanced in the fourth edition. Our ongoing series of workshops, "Ensuring Student Success in Principles of Accounting", has provided an understanding of how instructors teach and how they use the

materials we provide. This knowledge has allowed us to introduce a series of critical upgrades that will help you teach in more innovative and efficient ways. Just roll to the new edition of Weygandt and benefit from a whole new set of resources and problems. This is the best Weygandt package we have ever produced!

Canada Jan 29 2020 Comedy superstar Mike Myers writes from the (true patriot) heart about his relationship with his beloved Canada. Mike Myers is a world-renowned actor, director and writer, and the man behind some of the most memorable comic characters of our time. But as he says: "no description of me is truly complete without saying I'm a Canadian." He has often winked and nodded to Canada in his outrageously accomplished body of work, but now he turns the spotlight full-beam on his homeland. His hilarious and heartfelt new book is part memoir, part history and pure entertainment. It is Mike Myers' funny and thoughtful analysis of what makes Canada Canada, Canadians Canadians and what being Canadian has always meant to him. His relationship with his home and native land continues to deepen and grow, he says. In fact, American friends have actually accused him of enjoying being Canadian--and he's happy to plead guilty as charged. A true patriot who happens to be an expatriate, Myers is in a unique position to explore Canada from within and without. With this, his first book, Mike brings his love for Canada to the fore at a time when the country is once again looking ahead with hope and national pride. Canada is a wholly subjective account of Mike's Canadian experience. Mike writes, "Some might say, 'Why didn't you include this or that?' I say there are 35 million stories waiting to be told in this country, and my book is only one of them." This beautifully designed book is illustrated in colour (and not color) throughout, and its visual treasures include personal photographs and Canadiana from the author's own collection.

The War with Grandpa Nov 20 2021 Don't miss the laugh-out-loud classic about a boy who leaps into battle when he's forced to share a room with his grandfather--now a major motion picture starring Robert De Niro, Uma Thurman, Christopher Walken, Jane Seymour, Rob Riggle,

Cheech Marin, and Oakes Fegley! Peter is thrilled that Grandpa is coming to live with his family. That is, until Grandpa moves right into Peter's room, forcing him upstairs. Peter loves his grandpa but wants his room back. He has no choice but to declare war! With the help of his friends, Peter devises outrageous plans to make Grandpa surrender the room. But Grandpa is tougher than he looks. Rather than give in, Grandpa plans to get even. They used to be such great pals. Has their war gone too far? WINNER OF TEN STATE READING AWARDS AN IRA-CBC CHILDREN'S CHOICE "Peter tells this story with honesty and humor....By the story's end, Peter has learned much about the causes and effects of war--and human dignity."-School Library Journal "The humor of the story derives from Peter's first-person account and from the reader's recognition of Peter's valiant effort to maintain two mutually exclusive emotions."-The Horn Book Magazine

Accounting Principles Part 1, 5th Canadian Edition Jul 17 2021

Angry White Men May 03 2020 "[W]e can't come off as a bunch of angry white men." Robert Bennett, chairman of the Ohio Republican Party One of the enduring legacies of the 2012 Presidential campaign was the demise of the white American male voter as a dominant force in the political landscape. On election night, after Obama was announced the winner, a distressed Bill O'Reilly lamented that he didn't live in "a traditional America anymore." He was joined by others who bellowed their grief on the talk radio airwaves, the traditional redoubt of angry white men. Why were they so angry? Sociologist Michael Kimmel, one of the leading writers on men and masculinity in the world today, has spent hundreds of hours in the company of America's angry white men - from white supremacists to men's rights activists to young students -in pursuit of an answer. **Angry White Men** presents a comprehensive diagnosis of their fears, anxieties, and rage. Kimmel locates this increase in anger in the seismic economic, social and political shifts that have so transformed the American landscape. Downward mobility, increased racial and gender equality, and a tenacious clinging to an anachronistic ideology of masculinity has left many men feeling betrayed and bewildered. Raised to

expect unparalleled social and economic privilege, white men are suffering today from what Kimmel calls "aggrieved entitlement": a sense that those benefits that white men believed were their due have been snatched away from them. *Angry White Men* discusses, among others, the sons of small town America, scarred by underemployment and wage stagnation. When America's white men feel they've lived their lives the 'right' way - worked hard and stayed out of trouble - and still do not get economic rewards, then they have to blame somebody else. Even more terrifying is the phenomenon of angry young boys. School shootings in the United States are not just the work of "misguided youth" or "troubled teens"—they're all committed by boys. These alienated young men are transformed into mass murderers by a sense that using violence against others is their right. The future of America is more inclusive and diverse. The choice for angry white men is not whether or not they can stem the tide of history: they cannot. Their choice is whether or not they will be dragged kicking and screaming into that inevitable future, or whether they will walk openly and honorably - far happier and healthier incidentally - alongside those they've spent so long trying to exclude.

[Financial Accounting](#) Jun 27 2022 Kimmel has all the tools you need for a successful accounting course! The new fifth edition of *Financial Accounting: Tools for Decision-Making* by Kimmel, Weygandt, Kieso, Trenholm and Irvine continues to provide the best tools for both instructors and students to succeed in introductory financial accounting class. Previous editions have been praised by professors and students alike for a sound pedagogical framework, clear presentation, and real-world focus. This hands-on text, paired with a powerful online teaching and learning environment, WileyPLUS, offers students a practical set of tools for use in making business decisions based on financial information. The focus of the fifth edition *Financial Accounting: Tools for Decision-Making* remains the same: to help you teach and learn the basics of financial accounting in an engaging and pedagogically sound manner, and at the same time bring to your attention the most current coverage of both sets of rapidly changing accounting standards, IFRS and ASPE.

The text and its outstanding supplements, including WileyPLUS, form an integrated and easy-to-use solution for instructors and students alike.

In the Stone Circle Sep 06 2020 Cristyn Stone is unhappy about spending her summer in a small town in Wales while her father researches a book. The 16th-century stone house they are staying in holds a haunting secret. Strange noises, weird dreams, a girl ghost, and a mysterious connection to her late mother draw 14-year-old Cristyn deeper into the mystery. *Principles of Financial Accounting, Canadian Edition* Apr 01 2020

We Were Dreamers Jan 11 2021 INSTANT NEW YORK TIMES BESTSELLER The star of Marvel's first Asian superhero film, *Shang-Chi and the Legend of the Ten Rings*, tells his own origin story of being a Chinese immigrant, his battles with cultural stereotypes and his own identity, becoming a TV star, and landing the role of a lifetime. In this honest, inspiring and relatable memoir, newly-minted superhero Simu Liu chronicles his family's journey from China to the bright lights of Hollywood with razor-sharp wit and humor. Simu's parents left him in the care of his grandparents, then brought him to Canada when he was four. Life as a Canuck, however, is not all that it was cracked up to be; Simu's new guardians lack the gentle touch of his grandparents, resulting in harsh words and hurt feelings. His parents, on the other hand, find their new son emotionally distant and difficult to relate to - although they are related by blood, they are separated by culture, language, and values. As Simu grows up, he plays the part of the pious child flawlessly - he gets straight A's, crushes national math competitions and makes his parents proud. But as time passes, he grows increasingly disillusioned with the path that has been laid out for him. Less than a year out of college, at the tender age of 22, his life hits rock bottom when he is laid off from his first job as an accountant. Left to his own devices, and with nothing left to lose, Simu embarks on a journey that will take him far outside of his comfort zone into the world of show business. Through a swath of rejection and comical mishaps, Simu's determination to carve out a path for himself leads him to not only succeed as an actor, but

also to open the door to reconciling with his parents. *We Were Dreamers* is more than a celebrity memoir - it's a story about growing up between cultures, finding your family, and becoming the master of your own extraordinary circumstance.

A Spotlight for Harry Nov 28 2019 Harry Weiss—later known as Harry Houdini—is enthralled when the circus comes to his Wisconsin town. He loves all the acts, but his favorites are the tightrope and the amazing trick where a man hangs from a rope by his teeth! Harry and his brother decide to try circus tricks in a nearby barn, and although Harry's headstrong determination leads him into trouble, it also opens up a whole new world. In this evocative story, Eric A. Kimmel tells how Harry Weiss discovered his love for performing, many years before he became world famous. *History Stepping Stones* now feature updated content that emphasizes Common Core and today's renewed interest in nonfiction. Perfect for home, school, and library bookshelves!

No Good Asking Dec 22 2021 A profoundly moving exploration of our capacity to heal one another. Ellie and Eric Nyland have moved their two sons back to Eric's childhood farmhouse, hoping for a fresh start. But there's no denying it, their family is falling apart, each one of them isolated by private sorrows, stresses, and missed signals. With every passing day, Ellie's hopes are buried deeper in the harsh winter snows. When Eric finds Hannah Finch, the girl across the road, wandering alone in the bitter cold, his rusty police instincts kick in, and he soon discovers there are bad things happening in the girl's house. With nowhere else to send her, the Nylands reluctantly agree to let Hannah stay with them until she can find a new home after the Christmas holidays. But Hannah proves to be more balm than burden, and the Nylands discover that the only thing harder than taking Hannah in may be letting her go.

Bobby Baseball Jun 23 2019 Ten-year-old Bobby Ellis loves everything about baseball, from the hits to the hot dogs. That's why he calls himself Bobby Baseball! Every day he dreams of becoming a major league pitcher and joining the stars in the Baseball Hall of Fame. And what better place to start his career than right here on his own Kids Club team, the Hawks? But the

hawks' coach happens to be Bobby's father, who has other ideas. "You're a natural second baseman," he says, expecting Bobby to be a model player who never makes a single mistake. Get real, Dad! When Bobby pitches three winning games in a row, the Hawks rule. Suddenly Bobby's life seems like one big baseball game--games on the field, games on TV, and games in his mind. Can Bobby keep on winning? Can he count on Dad?

Managerial Accounting Aug 18 2021 Discover a concise yet comprehensive overview of the foundations of management accounting in Canada from three leading voices in their field. The newly revised Sixth Canadian Edition of *Managerial Accounting: Tools for Business Decision-Making* delivers a thoroughly revised exploration of the foundations and fundamentals of management accounting in a uniquely Canadian context. Along with this series' hallmark features, including DO IT! Exercises, chapter review and practice sections, educational infographics, real-world Business Insight sections, Decision Tools, and a suite of Digital Tools, this new edition includes a fresh treatment of data analytics in the real world. The book analyzes the impact of data analytics on decision-making and shows readers how to put data analytics into practice in real-world situations. Each chapter also contains brand-new changes, like new highlighted applications of standard costing and new case studies. Online solution walkthrough videos, interactive tutorials, adaptive practice exercises, and comprehensive Excel-based homework material round out the book's fulsome and educational package. Readers will also benefit from the inclusion of: A thorough introduction to cost concepts for decision makers, including job-order cost accounting, process cost accounting, and activity-based costing An exploration of decision-making concepts, including incremental analysis and alternative inventory costing methods Discussions of planning and control concepts, including budgetary planning, budgetary control and responsibility accounting, and standard costs and the Balanced Scorecard A suite of digital tools, including real-world company videos Perfect for undergraduate students about to begin an accounting program, *Managerial Accounting: Tools for Business*

Decision-Making will also earn a place in the libraries of undergraduate business and MBA students seeking a one-stop reference to the basic principles of management accounting. *Financial Accounting* Aug 30 2022 The new eighth edition of *Financial Accounting: Tools for Decision-Making, Canadian Edition* by Kimmel, Weygandt, Kieso, Trenholm, Irvine and Burnley continues to provide the best tools for both instructors and students to succeed in their introductory financial accounting class. It helps students understand the purpose and use of financial accounting, whether they plan to become accountants or whether they simply need it for their personal life or career. The book's unique, balanced procedural and conceptual (user-oriented) approach, proven pedagogy and breadth of problem material has made *Financial Accounting* the most popular introductory text in Canada. This hands-on text, paired with a powerful online teaching and learning environment offers students a practical set of tools for use in making business decisions based on financial information.

Accounting Principles Oct 08 2020 For over 15 years, Weygandt, *Accounting Principles* has been praised by both instructors and students across the country for its outstanding visual design, its carefully integrated pedagogy, and its excellent writing style and clarity of presentation. Our main focus continues to be 'Student Success in Accounting' and the new seventh edition package further enables both instructors and students to achieve successful learning outcomes. With this edition, we have added two new authors, Valerie Warren and Lori Novak. They bring fresh new ideas, updates, and continue to implement challenging accounting concepts through examples that are familiar to the student with a stepped-out pedagogy that breaks down complex topics making the material more manageable. This connection to their everyday lives helps build student motivation, a key driver of student time spent on assignments and ultimately their mastery of the concepts. *Accounting Principles, Seventh Canadian Edition* enables students to become independent and successful learners by including a variety of additional resources, more opportunities to use new technology, and new features that empower students to apply what they have learned in the

classroom to the world outside the classroom. The seamlessly integrated digital and print resources to accompany *Accounting Principles, Seventh Canadian Edition* offer additional tools for both instructors and students in order to help students succeed.

Orville Dec 10 2020 Chained alone in a barn by the couple he thought might give him a good home, a very ugly stray dog is miserable until a new neighbor, Sally MacIntosh, moves into the little house across the road and he falls in love. 20,000 first printing.

Accounting Apr 25 2022 With this fourth edition, accountants will acquire a practical set of tools and the confidence they need to use them effectively in making business decisions. It better reflects a more conceptual and decision-making approach to the material. The authors follow a "macro- to micro-" strategy by starting with a discussion of real financial statements first, rather than starting with the Accounting Cycle. The objective is to establish how a financial statement communicates the financing, investing, and operating activities of a business to users of accounting information. This motivates accountants by grounding the discussion in the real world, showing them the relevance of the topics covered to their careers.

ParaNorman Apr 13 2021 In a quaint New England town with a history of witches and pilgrims, misunderstood eleven-year-old Norman Babcock can see and talk to ghosts. No one believes him, of course-everyone just thinks he's weird (including his parents). But when a folktale of a witch who cursed her accusers turns out to be true, it's up to Norman to save the town from pilgrim zombies! He'll also have to take on a very angry witch, an annoying sidekick, his boy-crazy teenage sister, and dozens of moronic grown-ups who get in his way. This young ghoulish whisperer finds his paranormal talents pushed to their otherworldly limits in this hilarious and spooky adventure! Featuring gorgeous black-and-white interior illustrations and a story beyond what you'll see in the film, this novel is sure to delight!

The Serious Goose Jun 03 2020 Meet a very Serious Goose in late-night host Jimmy Kimmel's first fun and funny picture book! There is nothing silly about this goose. You CANNOT make her laugh, so DON'T EVEN TRY! Written,

illustrated, and lettered by Jimmy Kimmel, this picture book challenges young readers to bring the silly out of a very Serious Goose. Inspired by Jimmy's nickname for his kids, The Serious Goose reminds us to be silly in a serious way. Put your little comedians in front of a mylar mirror and challenge them to make this no-nonsense goose smile. This delightful read-aloud is guaranteed to create giggles of time and time again! Kimmel's proceeds from sales of THE SERIOUS GOOSE will be donated to Children's Hospital Los Angeles (CHLA) and children's hospitals around the country.

Kimmel Financial Accounting Mar 25 2022

Zoe Rosenthal Is Not Lawful Good Mar 01 2020
Planning is Zoe Rosenthal's superpower. She has faith in a properly organized to-do list and avoids unnecessary risks. Her mental checklist goes something like this: 1) Meet soulmate: DONE! 2) Make commitment: DONE! 3) Marriage: TO COME! (after college). She isn't sure which college yet, but it will have a strong political science department, since her perfect boyfriend, Simon, plans to "save the country," as his sister puts it, "and the planet and everything." Zoe will follow along, the perfect serious, supportive girlfriend. It's good to have her love life resolved, checked off, done. But speaking of unnecessary risks, Zoe's on a plane to Atlanta, sneaking off to Dragon Con for the second season premiere of Bleeders . The show is subject to her boyfriend's lofty scorn, but Zoe is nothing like these colorful hordes "wearing their inside on their outside." Once her flirtation with fandom is over, she will get back to the important business of planning a future with Simon. The trouble is, right now, Bleeders --and her fellow "Bloodygits"--may just mean the world to her. Will a single night of nerdery be enough?

Principles of Financial Accounting Sep 18 2021
The Canadian Edition of Weygandt, Kieso, Kimmel, Trenholm, Kinnear, Atkins, Principles of Financial Accounting has been carefully developed to make the subject of accounting clear and fascinating to students. Our passion is to empower students to succeed by giving them the tools and the motivation they need to excel in their accounting courses and their future careers. The book has been praised by students and instructors across the country for its outstanding visual design, its carefully

integrated pedagogy, currency and accuracy of material, and its excellent writing style and clarity of presentation.

Managerial Accounting Jul 25 2019

Weygandt's Managerial Accounting Canadian Edition gives students all the necessary techniques and concepts of managerial accounting in a focused, concise framework. It does this by focusing on the tools students need to succeed, whether as accountants or in other career paths. Incorporating the unique Decision Toolkit learning system, and developed around a framework of decision-making, Weygandt Managerial is the perfect fit for any one semester, undergraduate managerial accounting course. However, the authors understand that many students in this course are not accounting majors and will need to understand how managerial accounting is used as a management tool. Therefore, Weygandt Managerial focuses on building decision-making skills, understanding how to use accounting information to make quality business decisions, and developing tools that can be used by future managers.

Managerial Accounting Jul 29 2022

Weygandt's Managerial Accounting 4th Canadian Edition is written by a highly trusted and respected author team - Weygandt, Kieso, Kimmel and Aly. Hundreds of thousands of students have been successful using books written by these authors. Again, these authors bring you a one semester, undergraduate text that presents the fundamental concepts of managerial accounting in a concise and easy-to-read fashion. This edition retains the same features that made it popular in the previous editions: it gives students all the necessary techniques and concepts of managerial accounting in a focused, concise framework with an excellent pedagogy that's been praised by instructors. It does this by focusing on the tools students need to succeed. Because not all students taking this course may be accounting majors, the authors have focused more on building decision making skills; on how to use accounting information to make quality business decision; and on the tools needed by future managers. Pair this book with our new Managerial Accounting Cases by Carty and Wick for a complete solution for your Managerial

Accounting needs.

#1 Forever Four Jun 15 2021 4 girls creating 1 voice . . . will anyone be heard? Paulina, Miko, Tally, and Ivy are four extraordinarily different seventh-graders. Paulina is 100% Type A. Miko is a fashionista. Tally is a theater queen. And Ivy - well, Ivy's the new girl at school. The four girls get tossed together to create a school magazine - by girls, for girls - in a competition to get funding for a new school program. But it seems like they'll never agree on anything. And just when they begin to make headway, their biggest rival - the athletes - threatens their progress. As the four girls try to complete the first issue of their magazine, and create a corresponding blog, they start to wonder if they can get past their labels and give all the girls in school a way to speak up.

Accounting Nov 08 2020

Survey of Accounting Aug 25 2019 Kimmel
Survey of Accounting, 2nd edition provides future business professionals with a practical introduction to financial and managerial accounting without the use of debits and credits. With its unique focus on building students' decision-making skills and emphasis on financial statements, Survey of Accounting provides students with the foundational accounting knowledge required to understand how these concepts are relevant to their everyday lives and future careers. Grounded in the Kimmel and Weygandt family of products, this new edition presents a fresh introduction to accounting through various practice opportunities, real-world industry examples, and discussions on cutting-edge topics to engage today's students.

The New Queer Conscience Dec 30 2019 A 2021 Sydney Taylor Notable Book "The new manifesto for how we as queer people could and should

navigate the world. It's the holding hand I never had--but wish I did."--Troye Sivan, Golden Globe nominated-singer, songwriter, and actor "With the persistence of queerphobia all around the world, this book is absolutely necessary, even vital."--Édouard Louis, internationally bestselling author of History of Violence "To Eli's credit, all of the rules are rooted in considerations of conscience and kindness and, if observed, will make a better world--as will this book."--Booklist, starred review "A must-read that highlights the importance of radical empathy, community building, and solidarity."--School Library Journal, starred review In *The New Queer Conscience*, LGBTQIA+ activist Adam Eli argues the urgent need for queer responsibility -- that queers everywhere are responsible for queers everywhere. Pocket Change Collective is a series of small books with big ideas from today's leading activists and artists. In this installment, *The New Queer Conscience*, Voices4 Founder and LGBTQIA+ activist Adam Eli offers a candid and compassionate introduction to queer responsibility. Eli calls on his Jewish faith to underline how kindness and support within the queer community can lead to a stronger global consciousness. More importantly, he reassures us that we're not alone. In fact, we never were. Because if you mess with one queer, you mess with us all.

Gender in Society Reader Feb 09 2021 A fresh and engaging collection of readings about the sociology of gender in Canadian society and around the world.

Financial Accounting Nov 01 2022

The Gendered Society Reader Jan 23 2022 This collection of classic and contemporary essays provides a detailed, engaging, and altogether current study of gender that focuses on Canadian themes and scholars.
