Cold-Case Christianity Jul 31 2022 Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers’ intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Autobiography of a Yogi (Royal Collector's Edition) (Annotated) (Case Laminate Hardcover with Jacket) Apr 15 2021 *Autobiography of a Yogi* introduces the reader to the life of Paramahansa Yogananda and his encounters with spiritual figures of both the Eastern and the Western world. The book follows him through childhood, how he met his guru, and how he became a monk and established his teachings of Kriya Yoga meditation. He also chronicles his journey to speak in a religious congress in Boston, Massachusetts and his travels across America lecturing and establishing his teachings in Los Angeles, California. *Autobiography of a Yogi* has been in print for seventy years and translated into over fifty languages. It is highly acclaimed as a spiritual classic that serves as an introduction to the methods of attaining God-realization and to the spiritual wisdom of the East. One of the most famous advocates for the book was Steve Jobs, who ensured a copy was handed out to everyone at his memorial service. This case laminate collector’s edition includes a Victorian inspired dust-jacket.

Rural Rides Mar 27 2022 *Rural Rides* is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing *Rural Rides*, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett’s opinions

Atomic Cover-Up Oct 10 2020 In his new book, which has gained national attention, award-winning author Greg Mitchell probes a turning point in U.S. history: the suppression of film footage, for decades, shot by a U.S. Army unit in Hiroshima and Nagasaki -- with staggering consequences even today. This is a detective story, and one of the last untold stories of World War II, and it has far-reaching impact. The shocking cover-up even extended to Hollywood -- with President Truman censoring an MGM film. Mitchell, co-author of the classic "Hiroshima in America" and eleven other books, now reveals the full story, based on new research, from the Truman Library to Nagasaki. Along the way the book tells the story of our "nuclear entrapment" -- from Hiroshima to Fukushima. David Friend of Vanity Fair calls it "a new work of revelatory scholarship and insight by Greg Mitchell that will speak to all of those concerned about the lessons of the nuclear age." "Atomic Cover-up" is also now available in an e-book edition here at Amazon. How did this cover-up happen? Why? And what did the two military officers, Daniel McGovern and Herbert Sussan, try to do about it, for decades? There was no WikiLeaks then to air the film. "Atomic Cover-up" answers all of these questions in a quick-paced but often surprising narrative. You can watch a trailer for the book, including some of the suppressed footage, here: <http://bit.ly/r0AIZL> Mitchell's classic Random House book "The Campaign of the Century" won the Goldsmith Book Prize and has just been published for the first time as an e-book. Robert Jay Lifton, author of "Death in Life" (winner of the National Book Award) and numerous other acclaimed books, writes: "Greg Mitchell has been a leading chronicler for many years of Hiroshima and Nagasaki, and American behavior toward them. Now he has written the first book devoted to the suppression of historic film footage shot by Japanese and Americans in the atomic cities in 1945 and 1946. He makes use of key interviews and documents to record an extremely important part of atomic bomb history that deserves far more attention today."

Bad Karma Nov 30 2019 A TRUE CRIME THRILLER THAT EXPLORES THE DARKEST REGIONS OF ROMANTIC INFATUATION. THE YEAR: 1969 THE SETTING: Berkeley, California THE STORY: Amidst the turmoil of student rebellion two loners encounter each other and turn an innocent flirtation into a dance of death. THE CHARACTERS: Prosenjit Poddar was the brilliant engineering student who wanted nothing more than to return to his native India a big success and to marry a woman of his parents' choosing. Tanya Tarasoff was the naive coed who just wanted somebody to love. And Larry Moore was the young psychologist who thought he recognized the warning signs that his patient was not just suffering from a jilted love affair... but was about to commit an act of murder. THE STAKES: In a culture clash that pits the traditional values of male-dominated India against free-love attitudes of Berkeley in the '60s, an impending tragedy unfolds. Soon Larry Moore finds himself face-to-face with the biggest dilemma of his career. What does a doctor do if he perceives his patient as mentally unstable and a threat to the well-being of another... but is bound by the oath of doctor-patient confidentiality not to warn the police? This true story tracks Moore's race against time to stop the inevitable. BAD KARMA is more than an anatomy of madness; it is also a chronicle of the events that would culminate in a landmark decision handed down by the California Supreme Court. Known simply as Tarasoff, this 1976 ruling would change the oath of confidentiality between therapist and patient, and establish the rule that a mental health professional has the legal duty to protect a threatened individual.

Lead Generation Sep 28 2019 Presently, marketing has undergone serious change. Marketers have faced increasing demand to provide quantitative data representative of their work, particularly focusing on sales growth in correlation with a narrow target audience. As marketers strive to cultivate new customers directly, they have turned to a growing area of interest: lead generation - a marketing activity aimed at acquiring direct contacts of prospective customers that have demonstrated some interest in the seller's goods and services. This book has a purely practical purpose, serving as an introductory resource to principles and methods that will enable marketing professionals to raise the number of potential customers and multiply the number of sales typically received. The book describes: - lead generation theory, its basic concepts, and methods of evaluating a return on marketing investments; - customer detection techniques (cold calls, pay-per-click, mailings, events, etc.); - peculiarities and challenges of lead generation campaigns and methods to overcome obstacles; - real stories about the way companies do lead generation and calculate its results. Outstanding Features of the Book - 14 real life case studies. - New trends of lead generation: cadence, market places, content management. - Up-to-date statistics for 2015 and plans for 2016. - Based on multi-industry experience (IT, automotive, education and even public organizations). - The style of the book is simple, charismatic and with humor (contains caricatures, jokes, wise quotes of great businessmen). - Applicable to both B2B and B2C. - The author explains all the lead generation concepts but also gives reasons why they should not be treated rigorously, as every company has its own business features and, thus, ROI and lead criteria. - A special section is dedicated to the challenge of lead generation outsourcing. - As lead generation is based on constant testing and statistics, the author also speaks about software tools helping to run your campaigns and calculate ROI efficiently. The book presents the results of a global benchmark report: "Lead Generation: Strategies and tactics for 2016". This survey covered 259 respondents from information and telecommunication technologies, consulting, banking, wholesale, insurance, auto-dealers, etc.

My Buddy. World War II Laid Bare Feb 11 2021 From the Michael Stokes Collection, this extraordinary publication reveals a side of World War II never before made public: young Allied troops discharging tension in boisterous, naked play and intimate "buddy" friendships. A remarkable, often tender, lineup of personal photographs and vintage military ephemera, these images offer a whole new perspective on masculinity and the wartime relations between men. Every harrowing day for a serviceman during World War II was potentially his last. To help bolster troops against the horrors of combat, commanders encouraged them to form tight "buddy" relationships for emotional support. Many war buddies, together every moment, and depending on each other to survive, formed intimate friendships. When they weren't fighting side by side, they relaxed together, discharging tension in boisterous--sometimes naked--play. The full extent of nude horseplay among men during World War II can't be known, as cameras were rare and film hard to process, but some men did document this unprecedented male bonding in small, anonymous photos mostly kept hidden away until their deaths. Los Angeles photographer Michael Stokes has spent years searching out these photos and building an archive of over 500 images. His collection includes soldiers and sailors from Australia, England, France, Italy, Poland, Russia, and the USA, cavorting on the sand in the South Pacific, shivering in the snow of Eastern Europe, posing solo in the barracks, and in great happy groups just about everywhere. These images show men barely out of boyhood, at their physical peak, responding to the reality of battle by living each day to the fullest--a side of the war never before made public. The introduction is by Scotty Bowers, an 89-year-old ex-Marine and

author of *Full Service*, the best-selling memoir of his sexual exploits in Hollywood, and how the war forever altered his attitudes about gay and straight, just as these photos may alter our attitudes about World War II and war buddies

Mastering the Case Analysis Jun 17 2021 Written by one of the top professors at Northwestern's Kellogg School of Management, *Mastering the Case Analysis* offers a systematic approach to analyzing business cases typically given in MBA job interviews. An overdue and much-needed aid to support students' preparation for case interviews, this book introduces an integrative framework for analyzing business problems and offers a detailed overview of the essential methods and concepts used in case analysis.

The Case Study Handbook, Revised Edition Nov 22 2021 The guide all MBAs and executive education students need. If you're enrolled in an MBA or executive education program, you've probably encountered a powerful learning tool: the business case. But if you're like many people, you may find interpreting and writing about cases mystifying and time-consuming. In *The Case Study Handbook, Revised Edition*, William Ellet presents a potent new approach for efficiently analyzing, discussing, and writing about cases. Early chapters show how to classify cases according to the analytical task they require (making a decision, performing an evaluation, or diagnosing a problem) and quickly establish a base of knowledge about a case. Strategies and templates, in addition to several sample Harvard Business School cases, help you apply the author's framework. Later in the book, Ellet shows how to write persuasive case-analytical essays based on the process laid out earlier. Examples of effective writing further reinforce the methods. The book also includes a chapter on how to talk about cases more effectively in class. Any current or prospective MBA or executive education student needs this guide.

Cracking Case Interviews Nov 10 2020 Top consulting firms like McKinsey, BCG, and Bain only hire about 1% of their job applicants. Becoming a management consultant is difficult, but it is possible if you use a proven approach at each stage of the process. *Cracking Case Interviews* is a comprehensive "one-stop shop" for landing a job in consulting. This book will help you: Write the perfect consulting resume and cover letter that gets multiple interview invitations from top consultancies Learn the 7 different parts of a case interview and exactly what you need to do in each step Master math tips and tricks to solve market sizing and other case interview questions quickly and accurately Discover the most commonly used frameworks in consulting and how you can use them for inspiration, without over-relying on them Practice with 5 full-length sample cases that are based on McKinsey, BCG, and Bain case interviews Prepare answers to behavioural interview questions, like "Why consulting?", "Why McKinsey?", or "Tell me about a time you led a team." Max Serrano and Jonathon Yarde are former consultants and instructors at *IGotAnOffer*, the #1 website for case interview preparation, which has helped place over 2,000 applicants in consulting careers since 2015. This book translates the countless hours the authors have spent coaching undergraduates, MBAs, PhDs, MDs, JDs, and experienced hires on their consulting applications.

Free Roll Jan 13 2021 Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from its celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brandt tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

The Very Best of Divorce in Connecticut May 05 2020 This book is based upon the *Divorce in Connecticut* blog which speaks out about the corruption and wrongdoing in family court among judges, attorneys, and mental health professionals. The improper actions of these unethical court professionals have placed vulnerable children in the hands of abusers and driven many parents to the brink of financial ruin. The book includes a wide ranging selection of the very best of the *Divorce in Connecticut* blogs sharing practical advice, guidance, and detailed overviews of prominent divorce cases that provide insight into the legal process. These blogs provide essential information to current and future litigants on how to survive a high conflict divorce to the best of their ability. At the same time, the book sends out a warning to the citizens of Connecticut that our family court system is deeply flawed and in dire need of reform. For additional information, the blog can be located at: www.divorceinconnecticut.blogspot.com.

Son of Sedonia Aug 08 2020 Imagine growing up in the largest slum on the planet in the year 2080AD. Twenty million people are your neighbors, huddled together in an ocean of rusted dwellings made from whatever Sedonia City, the towering metropolis in the distance, decides to throw away. Gang members, known as the T99s, are the heads of your community: smuggling tech, trafficking drugs, and fighting a constant guerilla war against the City's bio-augmented EXO police force. There is little hope for survival. None for escape to a better life beyond the half-mile high Border between city and slum. This is Matteo's world. A bright kid, but sick and weak since childhood, he is painfully dependent on Jogun: loving older brother, and hardened soldier for the T99s. When a luxury transport from Sedonia's aerial traffic crash-lands in Rasalla, it threatens to change Matteo and Jogun's fate forever. And all fates are connected. The Dwellers of Rasalla, bound by family in the scrap, ashes, and dirt. The Citizens of Sedonia, oblivious to danger in the buzzing twilight of the Neuro-Social Revolution. The EXOs, placing themselves in harm's way to perform their duty to protect their homes and fellow officers. And the Ruling Elite, whose long-buried secrets and desperate plans could spell the end of civilization...or a new beginning. *Son of Sedonia* is an action-filled science fiction epic with a soul and a clear message. Its characters live, breathe, suffer, and love in their different worlds, each brought to the brink as the Third-World collides with the First. Their future could well be ours.

Change the Workgame Jul 07 2020 Research shows that diverse workgroups are more productive, creative and innovative than homogeneous groups. In a global marketplace, and with the rapidly changing racial makeup of America, having a high function, diverse workforce is imperative for your organization's success. *Change the WorkGame* has been designed to show you how establish a diverse workforce throughout all strata of your organization and how to sustain your progress. As a human resources executive, diversity and inclusion consultant, and a member of historically marginalized communities, I have experienced wildly unsuccessful diversity and inclusion strategies; and advised, coached, and led wildly successful diversity and inclusion initiatives. Business leaders and department heads have used the steps outlined in this how-to guide to successfully recruit and retain diverse talent. Chris, a small business owner, says, "the diversity recruitment steps listed in the book, matched with real life scenarios really helps bring to life not only how to go about recruiting and retaining a diverse workforce, but why it is important." I promise that if you follow the 7 steps outlined in *Change the WorkGame*, you will increase the diversity of your workforce within 6 months following the activation of the last step and you will increase employee satisfaction by enhancing your managers and the inclusivity of your workplace. Don't wait to activate your diversity initiative. Don't wait to make your workforce stronger, nimbler, more creative, and more dynamic. Don't wait to establish an inclusive work environment where everyone feels respected, appreciated and heard. Be the person to take the lead towards Change. If not you, then who!? The workforce diversity and inclusion strategies and scenarios you are about to read have

been proven to create positive and long lasting results for leaders. These strategies will help ALL employees inside your organization, but will specifically help you recruit and retain underrepresented employees. Each chapter will give you new insights towards enhancing your workforce and your workplace. Let me show you how to be the Change for your company.
