*English Made Easy* Jul 05 2020 About the book ENGLISH MADE EASY introduces basic concepts of grammar in a format which inspires the reader to use linguistic arguments. The target audience for the book is school students; covering the introductory syntax level and going through to more advanced college level material. For this reason; the book starts from the beginning and tries to make as few pictures as possible about linguistic notions. A student pursuing an academic course can easily comprehend the next and grasp the ideas if he is equipped with a good knowledge of language; and fare better in the examination.

**Grammar by Diagram - Third Edition** Mar 13 2021 Grammar by Diagram is a book designed for anyone who wishes to improve grammatical understanding and skill. Using traditional sentence diagramming as a visual tool, the book explains how to expand ten basic patterns for simple sentences into compound, complex, and compound-complex sentences, and how to employ verbals (infinitives, gerunds, and participles), other specialized structures, and even punctuation for additional versatility. The third edition includes more exercises at the foundational level and more focus on how to arrange and combine sentences for maximum effect. It also includes a new initial CHAPTER on "preliminaries" to define a few basic but overarching concepts, a separate CHAPTER on pronouns, and a CHAPTER devoted to the connection between understanding grammar and writing effective sentences.
