Coverage of the rules and regulations of the NBA Interesting topics like LeBron the Phenom, ESPN'S influence on the NBA, and the UCONN women's basketball dynasty Digger's take on John Wooden Whether you're a basketball player or a courtside spectator, *Basketball For Dummies* is a slam-dunk of information and intrigue for anyone who loves the sport.

Asian American Basketball Jan 11 2021 When Jeremy Lin began to knock down shots for the New York Knicks in 2012, many Americans became aware for the first time that Asian Americans actually play basketball. Indeed, long before Lin shook up the NBA, Asian Americans played the game with passion and skill, and many excelled at high school, college and professional hoops. This comprehensive history of Asian American basketball discusses how these players first found a sense of community in the game, and competed despite an atmosphere of anti-Asian bigotry in historical and contemporary America.

CELEBRITY WORD SCRAMBLE BASKETBALL HALL OF FAME SERIES Dec 10 2020 Bill Maier graduated from the University of Maryland with a degree in Journalism before settling into a 28-year career in consumer product sales. He grew up in a household constantly infused with the activity of crossword puzzles. Having inherited the puzzle bug from his dad, he has been doing word search and word jumbles all his life. The *Celebrity Word Scramble* series uses names of sports hall of famers, entertainment stars, historical figures, and other popular figures as an engaging twist on typical word jumbles. Every puzzle in each book contains family-friendly, common five and six-letter words, with selected, circled letters in each solution forming a celebrity's name. The puzzles also provide details on the celebrity's career—which can be used as a clue to the overall solution for each puzzle. *Celebrity Word Scramble* is planned to appeal to a broad range of puzzle lovers with puzzle books on sports, entertainment, history and literature.

The Peripatetic Perambulations of a Fiddlefoot May 15 2021 The nameless drifters and aimless riders who traveled the back roads and trails of the American West have been described as "fiddlefooted." In this illustrated autobiography, I characterize myself as a modern day Fiddlefoot, applying the term to my own wanderings as I searched for meaning, satisfaction, happiness and fulfillment in life. My search takes me to a series of locales, from my boyhood home in Wisconsin westward through several stops in California, Oregon, British Columbia, Utah, New Mexico, and Arizona; and occupations ranging from student to farmer, logger, surveyor, factory worker, ranch hand, college and university instructor, social worker, and State and National Park Ranger. My search includes living and working in cities, towns, on farms, in cooperative communities, and my experiences and explorations involving religion, politics, marriages, parenthood and travels in the U.S., Canada, Guatemala, the British Isles and continental Western Europe. I wrote it as a way in which my wives, children, grandchildren, friends, acquaintances, and perhaps total strangers, could know and understand 'who is that man, and why is he like he is?' -- Bryce Babcock, January 2013.

Our Final Salute Dec 22 2021 Introduction A Trip to Canada September 3, 1944 On the above date, two brothers, Jay and Win Schofield, briefly crossed the Canadian border from New York to gather a few documents then return to America. Why? Each needed naturalized citizen status to join the U. S. Army. Jay, at twenty-five, and Win ten years older, were both drafted and eager to serve their country in what would be World War II. Two other brothers, Llew and Brent, had already become eligible. The required documentation for Jay and Win were requisites to prove they were born in the province of Nova Scotia, Canada, some twenty years earlier. It would have been a simple matter of simply asking for their respective birth certificates, getting sworn in, and packing for boot camp. It got complicated. In Halifax, there had been a fire around the time of their familys migration to America destroying their birth records. Jay and Win got their desired status and entered the military. My Life Went On That story was related to me back in the 1950s but, in typical fashion of a self-absorbed teen rebel, I saw little value in the story. Like most boys that age, my immediate focal points were Whats for supper? or Did the Red Sox win last night? or Wholl be my date for Fridays record hop? I mean Really ... that war happened when I was a few months old, What value could it have to me? How wrong I was. The years went by including college, marriage, family, and work. Buried in the background of my thinking, lingered the question about the brothers Canadian visit and what changes the family had undergone before and after that point. It became even more of a topic considering todays Americas red-hot immigration issue with the Mexican border. What would compel family members back then to fight for their adopted country? Today, Canada has become Americas forgotten northern border while our southern Mexican border captures most of the national interest. We hear of both electronic and structural fences, our National Guards involvement, a drug war with Mexican cartels, and wanton illegal crossings bringing murders of Americas border states citizens. Regrets? For Sure! In 1980, the urgency to ask my dad family questions became more critical following his cancer diagnosis. Hoping to make up for lost time I suggested, nine years later, I write his life story. An endless barrage of questions while he was undergoing the ravages of invasive cancer treatment would prove tiresome. Despite repeated chemical invasions, he persevered. For the first time, I witnessed him crying as he related his mothers undying dedication while she helped him memorize his lines before his high school performance, *The Mikado*. Even today, I can hear my dads tears on that tape, as he confirmed he never missed a line. Dad shared his familys work ethic: getting to the job despite sickness or hard times. They toiled at multiple, often menial, jobs providing for their four sons and daughter. He spoke lovingly of his parents including his dad dying in 1951 and then losing his mom nine years later. Those tapes provided me long-lasting insights and inspiration. I learned elders are eager to share their lives if someone asked the right questions. Thrilled to tip over that first domino, I knew the interviews had built his storys foundation. Although he was a rookie at dying; I was a rookie at writing; yet we both persisted like veterans. In a few months, his life story formed. I transcribed the interview, did parallel research, and crafted his memoirs the best an emerging author could. The process and the result brought us

unparalleled joy. Upon completion, he read, and re-read, the story then gushed on about how much he appreciated my effort. He died knowing his life story would be saved and passed down. Infected with a Memoirs / Schofield history bug, I vowed to carry on. Filling In Some Blanks The family questions, however, gnawed at me. I wanted

Black Gods of the Asphalt Apr 01 2020 J-Rod moves like a small tank on the court, his face mean, staring down his opponents. "I play just like my father," he says. "Before my father died, he was a problem on the court. I'm a problem." Playing basketball for him fuses past and present, conjuring his father's memory into a force that opponents can feel in each bone-snapping drive to the basket. On the street, every ballplayer has a story. Onaje X. O. Woodbine, a former streetball player who became an all-star Ivy Leaguer, brings the sights and sounds, hopes and dreams of street basketball to life. He shows that big games have a trickster figure and a master of black talk whose commentary interprets the game for audiences. The beats of hip-hop and reggae make up the soundtrack, and the ballplayers are half-men, half-heroes, defying the ghetto's limitations with their flights to the basket. Basketball is popular among young black American men but not because, as many claim, they are "pushed by poverty" or "pulled" by white institutions to play it. Black men choose to participate in basketball because of the transcendent experience of the game. Through interviews with and observations of urban basketball players, Onaje X. O. Woodbine composes a rare portrait of a passionate, committed, and resilient group of athletes who use the court to mine what urban life cannot corrupt. If people turn to religion to reimagine their place in the world, then black streetball players are indeed the hierophants of the asphalt.

Navigating the Maze A Grassroots Reference Guide to Women's Basketball College Recruiting 3rd Edition May 03 2020 A must for parents, girls basketball players, high school coaches and school administrators. Includes Foreword by Former WNBA Los Angeles Sparks Head Coach and Former Florida and Ole Miss Head Coach Carol Ross, NCAA ClearingHouse Requirements, NCAA Recruiting Calendar, DI Core GPA and Test Score Sliding Scale, Recruiting Definitions, Exposure Event Contacts, NCAA Major DI Coaches Contact Info and many more tips to help you get the scholarship you deserve. Includes a photo gallery. You will be given a step-by-step approach for navigating the path toward a gratifying and successful recruiting experience.

Before March Madness Nov 20 2021 Big money NCAA basketball had its origins in a many-sided conflict of visions and agendas. On one side stood large schools focused on a commercialized game that privileged wins and profits. Opposing them was a tenuous alliance of liberal arts colleges, historically black colleges, and regional state universities, and the competing interests of the NAIA, each with distinct interests of their own. Kurt Edward Kemper tells the dramatic story of the clashes that shook college basketball at mid-century—and how the repercussions continue to influence college sports to the present day. Taking readers inside the competing factions, he details why historically black colleges and regional schools came to embrace commercialization. As he shows, the NCAA's strategy of co-opting its opponents gave each group just enough just enough to play along—while the victory of the big-time athletics model handed the organization the power to seize control of college sports. An innovative history of an overlooked era, *Before March Madness* looks at how promises, power, and money laid the groundwork for an American sports institution.

The Golden Age of Amateur Basketball Jun 27 2022 The Amateur Athletic Union (AAU) has long symbolized the idealism of amateur athletic competition. For basketball especially, the AAU provided an opportunity for athletes to showcase their skills for the benefit of the team and the sport, not the bottom line. In *The Golden Age of Amateur Basketball*, Adolph H. Grundman recounts the history of the AAU National Tournament during its golden age, 1921 through 1968. Grundman analyzes the early tournaments, examining rule changes, key players, and dominant teams. He explores the rivalries between corporations for amateur dominance after 1935, the competition between the AAU and the National Collegiate Athletic Association for representation in Olympic basketball, the question of just how amateur ?amateur? basketball really was, and the reasons for the demise of postcollegiate amateur basketball. *The Golden Age of Amateur Basketball* provides the first history of AAU basketball and identifies players and teams that made major contributions to basketball history.

Fantasy Basketball and Mathematics Feb 09 2021 "The innovative math program based on real-life sports statistics."--Cover. Includes a complete set of reproducible worksheets

The Complete Idiot's Guide to Coaching Youth Basketball Jul 29 2022 No Marketing Blurb

Coaching Basketball Successfully Jul 25 2019 Legendary UCLA coach John Wooden once said, "People say Morgan Wootten is the best high school basketball coach in the country. I disagree. I know of no finer coach at any level—high school, college, or pro." Morgan Wootten has retired from coaching, but his knowledge of the game remains unsurpassed and keen as ever. *Coaching Basketball Successfully* contains a wealth of Wootten's timeless wisdom. And, in this third edition, Wootten adds even more value—the coaching experiences, methods, and tactics of his son Joe, a successful high school coach himself. Loaded with insights, instruction, drills, and Xs and Os, *Coaching Basketball Successfully* is the best single resource on making the most of your program, team, and players each season.

B is for Basketball: The Basics of Basketball for Beginners Oct 08 2020 B is for Basketball is the perfect book for beginner youth basketball players. From the letter A to the letter Z, this book provides all the basics of basketball and covers the fundamentals of passing, shooting, Xs and Os, and so much more that goes into learning the game. Fun and exciting illustrations, this colorful book teaches kids how to develop an understanding of the game and improve ball skills at an early age.

The Absolutely True Diary of a Part-Time Indian Aug 18 2021 Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

The Chi Phi Chakett Sep 06 2020

More University of Kansas Basketball Legends Apr 25 2022 KU alumnus and Jayhawk enthusiast Kenn Johnson is back with even more legends and firsts. Notable coaches like Danny Manning, who won the national championship as a player in 1988 and again as part of the coaching staff in 2008, have shaped and molded the team throughout the decades. Players like Raef LaFrentz, who became the first Jayhawks player in twenty-seven years to average a double-double over an entire season, keep the fans coming back for more. From the history of the famous Allen Fieldhouse to current coach Bill Self, Johnson offers a closer look at the team's unique contribution to the sport of basketball.

The Road to the NBA Nov 08 2020 THE ROAD TO THE NBA is a book about heart, drive and internal motivation, when going the standard route is unavailable. It captures and conveys the experiences of one man's unwavering ability to pursue his dream of playing in the NBA, despite being faced with adversity and disappointment, both on and off the court. THE ROAD TO THE NBA is captivating, informative and heart wrenching. It encourages the reader to "never give up" on their own dreams, whatever they may be. The example of how to get back up and brush yourself off, each and every time you're knocked down, disappointed, disenfranchised and/or disqualified, is demonstrated on the pages of this must read. THE ROAD TO THE NBA is intended to create, in the lives of each and every person who reads it, the same spirit of hope, strength and motivation found in its pages. It is the Author's desire that you the reader catch hold of that spirit. Quite frankly this book is absolutely Fabulous! There is no book like it in all of professional basketball. Once you start reading it you will never want to stop. This is as intellectual, emotional, motivational, and triumphant as it get's in the game of life. The book is amazing! And very thought provoking. The reality kept me glued to the pages. I highly recommend this book. -Charmane Townsell, Sheriff's Depart. Employee. Educational, Refreshing, and Bones Reality! -Paul Higgins, Award Winning T.V. Producer. I can see what a tough life is, to search a dream or just to survive. I am very glad for you. You are an example of Determination. -Eneko Herreros, Pro Basketball Coach, Spain

ACC Basketball Jul 05 2020 Since the inception of the Atlantic Coast Conference, intense rivalries, legendary coaches, gifted players, and fervent fans have come to define the league's basketball history. In *ACC Basketball*, J. Samuel Walker traces the traditions and the dramatic changes that occurred both on and off the court during the conference's rise to a preeminent position in college basketball between 1953 and 1972. Walker vividly re-creates the action of nail-biting games and the tensions of bitter recruiting battles without losing sight of the central off-court questions the league wrestled with during these two decades. As basketball became the ACC's foremost attraction, conference administrators sought to field winning teams while improving academic programs and preserving academic integrity. The ACC also adapted gradually to changes in the postwar South, including, most prominently, the struggle for racial justice during the

1960s. ACC Basketball is a lively, entertaining account of coaches' flair (and antics), players' artistry, a major point-shaving scandal, and the gradually more evenly matched struggle for dominance in one of college basketball's strongest conferences.

Chip Hilton Basketball Bundle Jan 29 2020 Hoop Crazy - A smooth-talking man who claims to have played basketball with Chip's father creates dissension on the Valley Falls high school team and plans to use Big Chip's pottery formula in his latest scam. Backboard Fever - When an injury prevents him from joining the college basketball team, Chip keeps busy serving as an emergency replacement coach for the high school and participating in an important basket shooting tournament. Tournament Crisis - Rivals for a starting assignment on State University's varsity basketball team, Chip Hilton and Jimmy Chung wage a fierce contest for the honor. When Jimmy's father becomes ill, Jimmy must leave State to run the family's restaurant. Chip masterminds a solution that benefits the Chung family, Jimmy, and the State U basketball team.

Kansas University Basketball Legends Nov 28 2019 The University of Kansas's men's basketball team is one of the oldest and most successful in the history of college basketball; the very inventor of the sport, Dr. James Naismith, was KU's first coach. Its long and illustrious history began in 1898 and includes some of the biggest names in the game, from legends like Wilt Chamberlain to "secret weapons" like Andrea Hudy, the only female strength and conditioning coach in the division. Longtime Jayhawk enthusiast Kenn Johnson offers up a unique and in-depth look at the players, coaches and other personalities who helped make the University of Kansas basketball program the unparalleled tradition it is today.

State Department Security Mar 01 2020

Letters to a Young Athlete Nov 01 2022 A legendary NBA player shares his remarkable story, infused with hard-earned wisdom about the journey to self-mastery from a life at the highest level of professional sports Chris Bosh, NBA Hall of Famer, eleven-time All-Star, two-time NBA champion, Olympic gold medalist, and the league's Global Ambassador, had his playing days cut short at their prime by a freak medical condition. His extraordinary career ended "in a doctor's office in the middle of the afternoon." Forced to reckon with moving forward, he found himself looking back over the course he'd taken, to the pinnacle of the NBA and beyond. Reflecting on all he had learned from a long list of basketball legends, from LeBron and Kobe to Pat Riley and Coach K, he saw that his important lessons weren't about basketball so much as the inner game of success—right attitude, right commitment, right flow within a team. Now he shares that journey, giving us a view from the inside of what greatness feels like and what it takes. Letters to a Young Athlete offers a proven path for taming your inner voice and making it your ally, through the challenges of failure and success alike.

The Letter Jan 23 2022 The Letter By: Ed Munson United States Supreme Court Justice Bailey Stewart, well known for her honesty, fairness, and consistency in interpreting the Constitution, becomes privy to some startling revelations, ones that will test her curiosity to know more and determine what might the public have a right to know. Befriended by an unknown, but seemingly well-versed source identified as Ivanhoe, she becomes entrenched in what has been purported to be the truths, half-truths and outright fabricated mysteries of history. The fact vs. fiction debate could lead to revisionist history, but at what cost? Her legal mind races to put the pieces of the giant jigsaw together. She calls on her former college mentor, Dr. Mathew Brumfield, solicits the help of federal judge, Deputy Attorney General and special prosecutor Spencer Crockett and leans on her husband Dr. Zach Longfellow to guide her through a maze of information and potential landmines. Initial Ivanhoe caches of information whet the appetite: The Kennedy Assassinations, curse for cancer, alternative fuel sources, Pearl Harbor, even alien visits. On face value, the 16 Ivanhoe letters are a good read, leading to detailed facts that delves into who knew what and when and did the government know any or all of this and keep it from the public's eye? The inquires lead to searching for records from the FBI, National Archives, the U.S. Congress, known and unknown governmental agencies and more. Stop signs abound. Threats become real. As Ivanhoe has attested, all of the information since shared with Justice Stewart is true, and there is more. As for those who would stand to win or lose with such information, there will be a day of reckoning. Legal remedies have worked their way up the ladder to reach the Supreme Court. At issue is what does the public have a right to know? You be the judge.

Coaching Basketball Technical and Tactical Skills Aug 25 2019 Covers other key areas of coaching including season and practice planning.

The Capital of Basketball Aug 30 2022 The celebration of Washington D.C. basketball is long overdue. The D.C. metro area stands second to none in its contributions to the game. Countless figures who have had a significant impact on the sport over the years have roots in the region, including E.B. Henderson, the first African-American certified to teach public school physical education, and Earl Lloyd, the first African-American to take the court in an actual NBA game. The city's Spingarn High School produced two players – Elgin Baylor and Dave Bing – recognized among the NBA's 50 greatest at the League's 50th anniversary celebration. No other high school in the country can make that claim. These figures and many others are chronicled in this book, the first-ever comprehensive look at the great high school players, teams and coaches in the D.C. metropolitan area. Based on more than 150 interviews, The Capital of Basketball is first and foremost a book about basketball. But in discussing the trends and evolution of the game, McNamara also uncovers the turmoil in the lives of the players and area residents as they dealt with prejudice, educational inequities, politics, and the ways the area has changed through the years.

The Encyclopedia of Duke Basketball Sep 26 2019 The ultimate reference source for true-blue fans offers profiles of great games, classic finishes (both wins and losses), and compelling personalities, including players, coaches, and opponents. 130 photos.

Humbled Letters from Prison Oct 20 2021 Former NBA All-Star Jayson Williams' charisma, generosity and high-energy hustle made him one of America's most popular pro athletes during the 90s, and eventually landed him a remarkable \$86 million contract with the New Jersey Nets. Referred to as "The People's Player," Jayson's magnetic appeal and tenacity on the boards made him a fierce, yet beloved competitor who spent his time off court flying planes, building houses, and tending to the chores on the farm with his father. His easy charm and sidesplitting one-liners consistently landed him on NBA sportswriters' All-Interview team and made him an audience favorite on the media circuits. But few knew the depths of pain, tragedy and addiction masked by a smile his grandmother called his "most beautiful attire." Lying on his bunk amongst "the most confrontational bunch of misfits," Jayson recalls his rapid climb and mighty fall, and his father's wise words: "A lifetime of happiness as you know it, Jayson, no man alive could bear it. It would be hell on earth. You have to stick to your morning routine." From the New York Times bestselling author of Loose Balls, Humbled is a powerful and candid collection of Jayson's personal letters and journals from behind bars. Shocking revelations, surprising connections, shameful secrets, and scars that only God can heal—Jayson holds nothing back as he writes about his journey to faith on both sides of the barbed-wire fences.

Organized Professional Team Sports Jun 03 2020 Committee Serial No. 8. pt. 1: Considers legislation on the applicability of the antitrust laws to organize professional sports enterprises. pt. 2: Continuation of hearings on sports teams and antitrust legislation. pt. 3: Continuation of antitrust hearings on professional sports antitrust exemptions.

Letters to a Young Athlete Sep 30 2022 A legendary NBA player shares his remarkable story, infused with hard-earned wisdom about the journey to self-mastery from a life at the highest level of professional sports Chris Bosh, NBA Hall of Famer, eleven-time All-Star, two-time NBA champion, Olympic gold medalist, and the league's Global Ambassador, had his playing days cut short at their prime by a freak medical condition. His extraordinary career ended "in a doctor's office in the middle of the afternoon." Forced to reckon with moving forward, he found himself looking back over the course he'd taken, to the pinnacle of the NBA and beyond. Reflecting on all he had learned from a long list of basketball legends, from LeBron and Kobe to Pat Riley and Coach K, he saw that his important lessons weren't about basketball so much as the inner game of success—right attitude, right commitment, right flow within a team. Letters to a Young Athlete offers a proven path for taming your inner voice and making it your ally, through the challenges of failure and success alike.

Basketball Mar 13 2021 It is true, they don't make things the way they used to, they don't do things the way they used to, and the times are not what they used to be. This book is a journey back to the days of my early childhood through high school. What was like to be raised in Indiana basketball country? It was an exciting time with over 700 high school teams from every corner of the state of Indiana competing each year in a single elimination tournament for the Indiana State Basketball Championship. One small school triumphed in a miracle over the great odds against them. It is still for me to imagine what those hundreds of Indiana basketball heroes experienced by having family, friends, classmates, cheerleaders, teachers, community fans for all kinds of reasons, even stranger bystanders, cheering and shouting them on with encouragement. (www.garyleesmith.com)

Transcendental Basketball Blues Jun 23 2019 Jack Henderson, a star basketball player, has it all. Loving mother, Mary Lou, is a great musician, father, Sam, a local hero. But when Jack starts high school, Mary Lou disappears. Diagnosed a paranoid schizophrenic, she spends Jack's adolescence on the run, escaping imagined tormentors. Confined to a mental hospital, then released home, she skips her medication and the cycle repeats. By Jack's senior year, love of music and basketball intertwine as mother and son seek solace within the transcendent moments yielded by their twin passions. Set in the late 1970's in basketball crazy Illinois, "Transcendental Basketball Blues" brings to life the post-Vietnam, post-Watergate days where racial integration took tentative first steps, stagflation

simmered, disco fever raged and Top 40 radio ruled. Yet the themes of love, forgiveness, humor in the face of hopelessness and acceptance of others for who they are ring true for readers from all eras.

Basketball For Dummies Dec 30 2019 The easy way to get the ins, outs, and intrigue on this beloved sport The National Basketball Association (NBA), with 30 teams and an average attendance of more than 17,000 spectators per game, is the richest and most popular basketball league — and arguably the most viewed American sport — in the world. Basketball Offenses & Plays Aug 06 2020 With this new handbook, coaches learn how to make the right call every time their basketball team has the ball. Each section contains a variety of sets and plays, all clearly explained and diagrammed.

Sister to Sister Jul 17 2021 Who am I? You may ask. I used to be you. I am not who I was yesterday and perhaps tomorrow I will not be the same as I am today. And knowing this makes life exciting. On bad days I can look forward to tomorrow being good. On good days I can look back on yesterday and thank God for today. And everyday I can look forward to tomorrow being better than today. I am an African American queen. Not of any royalty that I know of but my attitude about my life, my carefree way of handling drama and the way I always hold my head up makes me the queen I am. I am a young woman so whatever you may be going through right now, honey; believe me I have probably seen that day. As I start this journey with you know that I am not any better than you. I am human and I have seen a lot of things but I have a lot ahead of me. I don't know all the answers and I promise that I will not front that I do. I will be real with you and you have to make a promise to be real with yourself. *Sister to Sister* attempts to answer questions that women all over the world may have as they struggle to move forward in today's society.

B is for Baller Mar 25 2022 Featuring dozens of iconic NBA superstars like Michael Jordan, Larry Bird, LeBron James, Wilt Chamberlain, Kobe Bryant, and Steph Curry, *B is for Baller* is the ultimate alphabet book for young hoops fans—whether they're taking their first shot at the ABCs or already perfecting their threes! James Littlejohn's words leap off the page and bring legends to life, while Matthew Shipley's colorful, stylish illustrations are sure to delight fans young and old. What started as a successful Kickstarter project from two passionate NBA fans is now the perfect read for little ballers everywhere!

Collecting Basketball Cards Apr 13 2021

Wartime Basketball Jun 15 2021 *Wartime Basketball* tells the story of basketball's survival and development during World War II and how those years profoundly affected the game's growth after the war. Prior to World War II, basketball--professional and collegiate--was largely a regional game, with different styles played throughout the country. Among its many impacts on home-front life, the war forced pro and amateur leagues to contract and combine rosters to stay competitive. At the same time, the U.S. military created base teams made up of top players who found themselves in uniform. The war created the opportunity for players from different parts of the country to play with and against each other. As a result, a more consistent form of basketball began to take shape. The rising popularity of the professional game led to the formation of the World Professional Basketball Tournament (WPBT) in 1939. The original March Madness, the WPBT was played in Chicago for ten years and allowed professional, amateur, barnstorming, and independent teams to compete in a round-robin tournament. The WPBT included all-black and integrated teams in the first instance where all-black teams could compete for a "world series of basketball" against white teams. *Wartime Basketball* describes how the WPBT paved the way for the National Basketball League to integrate in December 1942, five years before Jackie Robinson broke the color barrier in baseball. Weaving stories from the court into wartime and home-front culture like a finely threaded bounce pass, *Wartime Basketball* sheds light on important developments in the sport's history that have been largely overlooked.
