*Angels Speak to Me Oct 27 2019 Providing insights into the spiritual world and God's plans for mankind's future, *Angels Speak to Me* chronicles the visions author Dennis Wayne Schroll has experienced throughout his lifetime. A variety of angels, archangels, cherubim, and heavenly people—as well as God—have spoken to Schroll, and they have predicted a new age in which new prophets will bring forward words from God into the world. Through these visions, *Angels Speak to Me* explains how one is saved, why one must be saved to prevent torment, how it is important to ask God for help in getting to heaven, and how to continue a Christian life with God's support. Schroll shares the messages he has received to help Christians and all people of the world realize the situation the world faces and he communicates the importance of believing in God and changing our ways to show favor in God's eyes. *Angels Speak to Me* delivers God's message that he wants all of the world's people to be saved from Satan and the damnation of Hell.*

*An Angel to Watch Over Me Aug 18 2021 Children are known to have wild imaginizations, which explains why their stuffed animals talk and invisible friends get invited to tea parties. So it's no wonder than when a child reports a personal encounter with an angel, adults tend to dismiss it with a wry smile and say, "That's nice, sweetie. Why don't you go outside and play?" But Joan Wester Anderson says "not so fast." If Jesus himself taught that the kingdom of heaven belongs to children, there's no reason in the world not to believe that God can reveal his love to little ones through angels. In *An Angel to Watch Over Me* (originally published by Random House in 1994, with sales of 150,000 copies), Anderson shares more than 30 stories of children's experiences with celestial*

beings--from a boy whose angels helps him conquer his fear of thunderstorms to a girl who is miraculously rescued from her burning home. From angels who combat evil and darkness to angels who bring news of comfort and joy, each of these accounts is grounded in traditional Christian belief, eschewing any New Age interpretation of the events. For all who are open to the possibility that even children can have authentic spiritual lives--and that attaining a certain age is not a prerequisite for God to touch our lives in the form of heavenly helpers--this book is sure to stir the soul and fan the faith.

*Seeing Angels* Dec 30 2019 A recent study found that 57 percent of Catholics, 66 percent of Evangelical Protestants, and 10 percent of Jews have reported having a personal experience with a guardian angel. And 20 percent of those who identified themselves as having no religion also claimed having encountered an angel. *Seeing Angels* is one of the most in depth examinations of angelic ministry by one of the cutting-edge charismatic leaders in the church today. Joshua Mills goes beyond the usual takes on angels regarding spiritual warfare and explores who they are, how to recognize them, and what they do. Part I, *Understanding Your Angels*, is all about understanding who angels are, exploring why they are necessary and how different angels minister comfort, healing, love, prosperity. It reveals who they carry out specific geographic assignments for cities and nations, as well as the more unique and extraordinary assignments they receive. Part II, *Discerning Your Angels*, explains how to become more aware of the unseen heavenly realm, as well as how to recognize divine intervention when it does reveal itself to human sight. Such manifestations include random strangers, visions, or signs and messengers that believers receive. Joshua also explains the way he has interacted with visions of radiant light, swirling colors, and what he describes as atmospheric shifts. All of this is intended to make believers become more aware of both invisible and revealed spiritual realities. Part III, *Working with Your Angels*, deals specifically with how to minister alongside these heavenly messengers as they stand watch, provide protection, and administer strength and comfort. This includes recognizing their movements and how to effectively pray for angelic encounters to take place. With a foreword by Patricia King, *Seeing Angels* is among the most comprehensive teachings on recognizing angelic beings and understanding how to partner with them in ministry.

*Calling All Angels* Feb 21 2022 I am a 55 year old wife and mother of seven children. My husband is also one of seven children. Isn't that ironic? I live in Las Vegas, Nevada. What the world calls "Sin City." Yes, people actually do live here! This is my first book, and I have been in the ministry for over 20 years. I come from a troubled family, I am one of three children, I have two brothers. This book is written under inspiration, and is based on my real life experiences with angels. They are real and very powerful. They are messengers from God. The Prophets in the Old Testament received messages from God by the Angels. Psalm 91:11 states "For he shall give his Angels charge over you, to keep you in all of your ways." We have Angels to help us through all of our life struggles; but we must learn how to make use of them. I hope this book will help everyone to make use of the power that we possess.
