**Something Borrowed** Aug 06 2020 Something Borrowed Emily Giffin The smash-hit debut novel for every woman who has ever had a complicated love-hate friendship. Rachel White is the consummate good girl. A hard-working attorney at a large Manhattan law firm and a diligent maid of honor to her charmed best friend Darcy, Rachel has always played by all the rules. Since grade school, she has watched Darcy shine, quietly accepting the sidekick role in their lopsided friendship. But that suddenly changes the night of her thirtieth birthday when Rachel finally confesses her feelings to Darcy's fiancé, and is both horrified and thrilled to discover that he feels the same way. As the wedding date draws near, events spiral out of control, and Rachel knows she must make a choice between her heart and conscience. In so doing, she discovers that the lines between right and wrong can be blurry, endings aren't always neat, and sometimes you have to risk everything to be true to yourself.

**The Mighty Quins: Dex** Feb 21 2022 Just the right touch... With her career on the line, Marlie Jenner is determined to make a top-notch documentary about beloved Irish author Aileen Quinn. Which means she needs a top-notch filmmaker; she needs Dex Kennedy. Dex is talented, well respected and Irish. He's also hotter than hell. And when they meet, he looks as if he wants to eat Marlie right up. Marlie does look delicious, but after a fatal accident during the shooting of his last documentary, Dex refuses to work on another film. Marlie has some very persuasive techniques, however, and after one seductive, drugging kiss, Dex is hooked—on the film, on Marlie, on the prospect of living again. But every documentary takes on a life of its own. And this one promises an ending that none of them could ever have anticipated...

**Platoon F: Pentology** Jan 29 2020 Missions 1 - 5 from the hilarious Platoon F comedy series all in one bundle...saving you some coin off the cost of buying them all individually!Mission 1: The SSMC ReluctantLieutenant Orion Murphy is scheduled for execution due to a clerical error. His only out is to undergo a complete physical makeover, get a rank and name change, and agree to take over a new platoon in the Segnal Space Marine Corps (SSMC).Mission 2: Angry RobotsA group of antiquated robots have decided that they've had enough of being treated like second-class citizens. Working together, they take over the sewage plant on Segnal Prime and start pumping the sludge back up into the buildings.Mission 3: The SSMC VoyeurA space probe that was sent out 500 years ago has returned...sort of. It's actually a copy of the original model of The SSMC Voyeur, which begs the question: What happened to the original craft? The crew of The SSMC Reluctant is dispatched to learn about the originating planet that sent this cloned vehicle. And, if Rear Admiral Conster gets his way, they're also to blow the entire planet that it came from to smithereens.Mission 4: EarthlingsAfter their last mission, the Segnal Space Marine Corps (SSMC) saw the value of the GONE Drive. The ability to move through space in a blink of an eye would be highly appealing to any military body, but specifically to Rear Admiral Parfait who has a bit of a thing for military bodies. Parfait sets a mission in place where The SSMC Reluctant must go to one of the planets that they briefly landed on during their last mission: Earth. Parfait sees the opportunity to...probe another society of human-like creatures and possibly build relations with them. Furthermore, and much to Captain Don Harr's chagrin, Parfait has put in for a title change to Senior Diplomat so that he can join the crew!Mission 5: Synthetic DNAAfter a close call in the year 2440 at the planet called "Earth," the crew of The SSMC Reluctant makes a quick escape back to their home of Segnal. However, Geezer didn't have time to set the clock on the GONE Drive to return them back to their own era, and things have changed greatly in the Segnal System over the past 500 years. The system is ruled by Synthetic Lifeforms now, and they find humans and standard robots an affront to their intellectual capacity. From their perspective, only Synthetic Lifeforms should be allowed to live.

**Swarm of Fire** Nov 01 2022 Dusty beasts. An angry pixie. A relationship on the edge.Las Vegas paranormal police chief and horndog Ian Dex struggles with his feelings toward Rachel Cress as the Vegas Strip gets thrown into a maelstrom of beasts who are bent on destruction. But soon they find themselves in the limelight because tourists think it's one of the best and most realistic shows they've ever seen. It gets even worse when they find out that some of the creatures being created are made from normals...To stop the uber pixie from taking over the town with his dusty creations, Ian's crew must find a way to track the guy and bring him to his knees. Failure means the Vegas Strip will fall under the rule of a flippin' pixie, and that'd just be embarrassing...Swarm of Fire: An Ian Dex Supernatural Novel is the fun-filled fifth book in the Las Vegas Paranormal Police Department series, a set of urban fantasy novels. If you like mythical creatures, racy comedy, and brazen officers, then you'll love John P. Logsdon and Christopher P. Young's fun-filled adventure.

**One Day** Aug 30 2022 NOW A MAJOR MOTION PICTURE starring ANNE HATHAWAY and JIM STURGESS It's 1988 and Dexter Mayhew and Emma Morley have only just met. But after only one day together, they cannot stop thinking about one another. Over twenty years, snapshots of that relationship are revealed on the same day—July 15th—of each year. Dex and Em face squabbles and fights, hopes and missed opportunities, laughter and tears. And as the true meaning of this one crucial day is revealed, they must come to grips with the nature of love and life itself. "One of the most hilarious and emotionally riveting love stories you'll ever encounter." —People #1 INTERNATIONAL BESTSELLER

**India 1885-1947** Feb 09 2021 The establishment of the Indian National Congress in 1885 marked a turning point in modern South Asian history. At the time, few grasped the significance of the event, nor understood the power that its leader would come to wield. From humble beginnings, the Congress led by Gandhi would go on to spearhead India's fight for independence from British rule: in 1947 it succeeded the British Raj as the regional ruling power. Ian Copland provides both a narrative and analysis of the process by which Indians and Pakistanis emancipated themselves from the seemingly iron-clad yoke of British imperialism. In so doing, he goes to the heart of what sets modern India apart from most other countries in the region its vigorous democracy.

**Sex at Dawn** May 15 2021 Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science—as well as religious and cultural institutions—has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. But this narrative is collapsing. Fewer and fewer couples are getting married, and divorce rates keep climbing as adultery and flagging libido drag down even seemingly solid marriages. How can reality be reconciled with the accepted narrative? It can't be, according to renegade thinkers Christopher Ryan and Cacilda Jethá. While debunking almost everything we "know" about sex, they offer a bold alternative explanation in this provocative and brilliant book. Ryan and Jethá's central contention is that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together convergent, frequently overlooked evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. Human beings everywhere and in every era have confronted the same familiar, intimate situations in surprisingly different ways. The authors expose the ancient roots of human sexuality while pointing toward a more optimistic future illuminated by our innate capacities for love, cooperation, and generosity. With intelligence, humor, and wonder, Ryan and Jethá show how our promiscuous past haunts our struggles over monogamy, sexual orientation, and family dynamics. They explore why long-term fidelity can be so difficult for so many; why sexual passion tends to fade even as love deepens; why many middle-aged men risk everything for transient affairs with younger women; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. In the tradition of the best historical and scientific writing, *Sex at Dawn* unapologetically upends unwarranted assumptions and unfounded conclusions while offering a revolutionary understanding of why we live and love as we do.

**Cover Evidence** Oct 08 2020 "With a believable plot, an exotic setting, a smart heroine and a sexy hero – Rachel Grant's *Cover Evidence* is the definition of fabulous Romantic Suspense." – New York Times & USA Today Bestselling Author Toni Anderson Falling in love was never part of his mission... **Whispered Promises** Mar 13 2021 Don't miss this reader favorite from New York Times bestselling author Brenda Jackson Even a once-in-a-lifetime love... When Halston Parker calls his daughter Caitlin to his deathbed, she's shocked to discover that her ex-husband, Dex Madaris, has been summoned as well. It's been four years since Caitlin felt the heat of Dex's touch, the urgency of his kisses and the promise of an everlasting love that never was. As a flood of bittersweet memories wars a cold and lonely night, Halston's real motive for the unexpected reunion comes to light. As does the daughter Dex never knew existed, a secret Caitlin has kept too long from the only man she's ever loved. A secret she fears Dex will never forgive...Deserves a second chance Despite the past, Caitlin and Dex cannot resist the attraction, or fight their hunger to renew a once-in-a-lifetime passion they thought they'd lost forever. As each learns a lesson in faith and trust, they discover that no heartache, no betrayal, is strong enough to withstand the enduring power of true love. Also include bonus story SWEET STALLION by Deborah Fletcher Mall! Title originally published in 1996

**Something Blue** Jun 03 2020 From the New York Times bestselling author of *Something Borrowed* comes a novel that shows how someone with a 'perfect life' can lose it all—and then find everything. Darcy Rhone thought she had it all figured out: the more beautiful the girl, the more charmed her life. Never mind substance. Never mind playing by the rules. Never mind karma. But Darcy's neat, perfect world turns upside down when her best friend, Rachel, the plain-Jane "good girl," steals her fiancé, while Darcy finds herself completely alone for the first time in her life...with a baby on the way. Darcy tries to recover, fleeing to her childhood friend living in London and resorting to her tried-and-true methods for getting what she wants. But as she attempts to recreate her glamorous life on a new continent, Darcy finds that her rules no longer apply. It is only then that Darcy can begin her journey toward self-awareness, forgiveness, and motherhood. Emily Giffin's *Something Blue* is a novel about one woman's surprising discoveries about the true meaning of friendship, love, and happily-ever-after. It's a novel for anyone who has ever, even secretly, wondered if the last thing you want is really the one thing you need.

**Radical Simplicity** Jul 17 2021 Providing insights into new technology trends, business cases and paradigms, this book is about change. In this title, technology and business strategists learn how to make me-centric computing work for them. This new technology is so called because it fits into the individual's life in a natural way, conforming to preferences and requirements, taking orders, and performing a variety of delegated tasks.

**Curse of the Fallen** Dec 30 2019 Magic is the purest form of darkness, and those born of its power must be purged. Born of magic, Nerana is labeled a demon, and the cost of such treason is her life. Forced into hiding by the Order of Saro, she seeks to disenchant a curse that keeps her just within their grasp. After years of searching, she finds her redemption lies within the forbidden caves of Nhamashel, where ancient magic and formidable monsters lie in wait. Through perilous trials, enemy territory, and finding trust in those she was taught to despise, Nerana soon learns that the journey to releasing such deadly magic may prove more fatal than the Order itself. But for Nerana this is more than a quest for survival...It's a promise of revenge! Curse of the Fallen is the first novel of the adult epic fantasy series 'Fallen Light' by author H.C. Newell

**Kardashian Dynasty** May 03 2020 Traces the rise of the Kardashian and Jenner families to reality show and tabloid fame. Discusses the negative publicity that has overshadowed their recent years while scrutinizing charges of exploitation that have targeted Kris Jenner, Rob Kardashian, and Caitlyn Jenner.

**Chase After Me** Mar 25 2022 It's an undercover mission. Get in. Get close to the woman. Get the intel. Get out. Should be easy enough. Right? Wrong. Chase Durant's newest assignment goes wrong from the moment he meets Vivian Wayne. She's not cold and calculating. The scientist is charming, funny, and absolutely freaking gorgeous. He's supposed to be seducing secrets out of her. She's supposed to be a selling classified intel. She's supposed to be bad. She's the best thing he's ever seen. Doesn't take long for the Wilde agent to realize that Vivian has been set-up, and the folks setting her up thought they could use Wilde to do their dirty work. Thought they could use Chase in order to make Vivian vulnerable so that she'd be the perfect target. Wrong. Instead of using her, Chase is determined to protect Vivian. The only problem? He's been lying to her from day one, and things have...heated up between them. More like gone molten. Because Chase wants her more than he's ever wanted anyone, and he's not about to step back and let another agent take over her case. Vivian needs protecting, and he's just the man for the job. Correction—he's just the man for Vivian. He just has to prove that he can be the right one for her. Wrong. But when Vivian finds out that he's been lying, how can she trust him? Time is running out, and Vivian's heart is in tatters. She fell for the wrong man, and now she might pay for that mistake with her life. Chase seemed perfect. He flew past her defenses, and she thought he seemed might be just—Right. Chase won't back down. He won't give up. He'll prove to Vivian that she can count on him. Prove to her that he will always put her first. Prove to her that he can be the right man for her. He simply has to destroy her all of enemies and convince Vivian to fall for him once more. Only this time, she'll be falling for the real man. Not the lie. All in a day's work for a Wilde agent...right? Author's Note: Opposites don't just attract—they explode. Sparks are gonna fly, lust is gonna burn, and Mr. Cocky and Confident Chase is about to fall hard for a woman who snuck right past his guard. Bam. There may be groveling involved before the book is done. And, of course, lots of scorching scenes. Happy ending guaranteed, no cliff-hangers—just fun, hot romance, and plenty of action.

**Curse of Fangs** Sep 30 2022 A vampire's bite sucks, but it's also quite powerful...When Las Vegas Paranormal Police Chief Ian Dex is injected with a healthy dose of vampire venom, he gains access to power like he's never known. He's faster, stronger, and his ability to do magic is on the rise, too. The problem is that he's becoming too powerful. That makes him a target, and there is no shortage of people who'd love to see the Vegas police chief pushing up daisies. But it gets worse... The venom has made Ian grumpy, demanding, and dark. Normally, this would be fine, but Rachel Cress is finding his newfound brooding angst to be rather sexy indeed. When he growls and roars, she coos and melts. Chicks, man. But it turns out the venom has infected more people than just Ian Dex. It's surging through supernaturals all over the Vegas Strip. Translation: someone is building a venomous army. Ian and his crew have to stop them before the Strip sinks into a hedonistic blood bath. If that happens, all bets are off. The question is how long Ian can hold out before his mind is consumed...If you like Nazi Noor, Orlando A. **The Cultural Cold War** Jun 23 2019 During the Cold War, freedom of expression was valued as liberal democracy's most cherished possession—but such freedom was put in service of a hidden agenda. In *The Cultural Cold War*, Frances Stonor Saunders reveals the extraordinary efforts of a secret campaign in which some of the most vocal exponents of intellectual freedom in the West were working for or subsidized by the CIA—whether they knew it or not. Called "the most comprehensive

account yet of the [CIA's] activities between 1947 and 1967" by the New York Times, the book presents shocking evidence of the CIA's undercover program of cultural interventions in Western Europe and at home, drawing together declassified documents and exclusive interviews to expose the CIA's astonishing campaign to deploy the likes of Hannah Arendt, Isaiah Berlin, Leonard Bernstein, Robert Lowell, George Orwell, and Jackson Pollock as weapons in the Cold War. Translated into ten languages, this classic work—now with a new preface by the author—is "a real contribution to popular understanding of the postwar period" (The Wall Street Journal), and its story of covert cultural efforts to win hearts and minds continues to be relevant today.

**She Comes First** Apr 25 2022 Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cummings is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner

**Troubled Waters (Montana Rescue Book #4)** Dec 22 2021 Billionaire Ian Shaw can have everything he wants—except a happy ending. Or at least that's what it feels like with his fortune recently liquidated, his niece, Esme, still missing, and the woman he loves refusing to speak to him. In fact, he doubts she would date him even if they were stranded on a deserted island. Despite her love for Ian, Sierra Rose knows he has no room in his life for her as long as the mystery of his missing niece goes unsolved. The only problem is, Sierra has solved it, but a promise to Esme to keep her whereabouts secret has made it impossible to be around Ian. When the PEAK chopper is damaged and Sierra lacks the funds to repair it, Ian offers a fundraising junket for large donors on his yacht in the Caribbean. But the three-day excursion turns into a nightmare when a rogue wave cripples the yacht and sends the passengers overboard. Shaken up and soaked to the bone, Ian finally has a chance to test his hobby when he and Sierra do indeed find themselves washed up on a strange, empty shore. It will take guts and gumption for the PEAK team to rescue the duo. But it will take a miracle to rescue Ian and Sierra's relationship.

**Open & Suddenly** Oct 20 2021 What if love is the only thing you can't control? "This twisted, emotional tale (...) will grab your attention from the first word." EducatedBook.Freak ♡ Who will be the first to fall? The uptight lawyer or the laid-back tattoo artist? ♡ A friends-to-lovers m/m romance filled with angst, love, and forgiveness. Happiness is overrated. Finding someone who has my back and takes care of me is optional, and Luke Gritt is not an option. The way I see it, he's only a sexy complication. \*\*\* One-night stand? No thanks. Friends-with-benefits relationship? Tricky. Especially with an insanely hot, three-piece-suit man who lights up only around me. If opposites attract, Dex and I collide.

**Introduction to Information Retrieval** Apr 13 2021 Class-tested and coherent, this textbook teaches classical and web information retrieval, including web search and the related areas of text classification and text clustering from basic concepts. It gives an up-to-date treatment of all aspects of the design and implementation of systems for gathering, indexing, and searching documents; methods for evaluating systems; and an introduction to the use of machine learning methods on text collections. All the important ideas are explained using examples and figures, making it perfect for introductory courses in information retrieval for advanced undergraduates and graduate students in computer science. Based on feedback from extensive classroom experience, the book has been carefully structured in order to make teaching more natural and effective. Slides and additional exercises (with solutions for lecturers) are also available through the book's supporting website to help course instructors prepare their lectures.

**The Speculative Turn** Nov 28 2019 Continental philosophy has entered a new period of ferment. The long deconstructionist era was followed with a period dominated by Deleuze, which has in turn evolved into a new situation still difficult to define. However, one common thread running through the new brand of continental positions is a renewed attention to materialist and realist options in philosophy. Among the leaders of the established generation, this new focus takes numerous forms. It might be hard to find many shared positions in the writings of Badiou, DeLanda, Laruelle, Latour, Stengers, and i ek, but what is missing from their positions is an obsession with the critique of written texts. All of them elaborate a positive ontology, despite the incompatibility of their results. Meanwhile, the new generation of continental thinkers is pushing these trends still further, as seen in currents ranging from transcendental materialism to the London-based speculative realism movement to new revivals of Derrida. As indicated by the title *The Speculative Turn*, the new currents of continental philosophy depart from the text-centered hermeneutic models of the past and engage in daring speculations about the nature of reality itself. This anthology assembles authors, of several generations and numerous nationalities, who will be at the centre of debate in continental philosophy for decades to come."

**The Camelot Kids** Jun 15 2021 What would you do if an odd girl in a cloak told you, "You know you're a descendant of King Arthur's knight, Lancelot, right?" You'd probably do the same thing 14-year-old New Yorker Simon Sharp does. Back away nice and slow. But Simon learns the truth when he's kidnapped by a drunk troll, rescued by a 7-foot man named Merlin, and thrown into training with 149 other heirs of the Knights of the Round Table. Can Simon survive a prophecy that predicts the world will be saved through its destruction? The Camelot Kids is about one boy's struggle to make it to tomorrow in a world both real and fantastic.

**By George - Hilarious Tales from England's Most Fanatical Football Supporters** Jul 05 2020 Meet Stan and his mates. All football fanatics, all enthusiastic followers of the English national team - so far, so normal, right? Wrong. You've probably already spotted them on TV, or maybe at an England match. They're the group of blokes all dressed up as St George. In this hilarious book, Stan - AKA George the First - tells the story of how the George came into being, in the run-up to the 2006 World Cup in Germany, and reveals all about the crazy adventures and bizarre situations the gang have found themselves in as they've travelled the world supporting England and bringing their own special touch of English eccentricity to every match, home and away. It's a story of football, friendship, beer and trips to Kazakhstan - in others words, England fans doing what they do best, following their team over land and sea. With fancy dress costumes.

**Codex Sinaiticus** Dec 10 2020 Codex Sinaiticus is one of the world's most remarkable books. Written in Greek in the fourth century, it is the oldest surviving complete New Testament, and one of the two oldest manuscripts of the whole Bible. No other early manuscript of the Christian Bible has been so extensively corrected, and the significance of Codex Sinaiticus for the reconstruction of the Christian Bible's original text, the history of the Bible and the history of western book making is immense. Since 2002, a major international project has been creating an electronic version of the manuscript. This magnificent printed facsimile reunites the text, now divided between the British Library, the National Library of Russia, St Catherine's Monastery, Mt Sinai and Leipzig University Library.

**Culture of Cells for Tissue Engineering** Apr 01 2020 Step-by-step, practical guidance for the acquisition, manipulation, and use of cell sources for tissue engineering Tissue engineering is a multidisciplinary field incorporating the principles of biology, chemistry, engineering, and medicine to create biological substitutes of native tissues for scientific research or clinical use. Specific applications of this technology include studies of tissue development and function, investigating drug response, and tissue repair and replacement. This area is rapidly becoming one of the most promising treatment options for patients suffering from tissue failure. Written by leading experts in the field, *Culture of Cells for Tissue Engineering* offers step-by-step, practical guidance for the acquisition, manipulation, and use of cell sources for tissue engineering. It offers a unique focus on tissue engineering methods for cell sourcing and utilization, combining theoretical overviews and detailed procedures. Features of the text include: Easy-to-use format with a two-part organization Logically organized—part one discusses cell sourcing, preparation, and characterization and the second part examines specific engineered tissues Each chapter covers: structural and functional properties of tissues, methodological principles, culture, cell selection/expansion, cell modifications, cell seeding, tissue culture, analytical assays, and a detailed description of representative studies End-of-chapter features include useful listings of sources for reagents, materials, and supplies, with the contact details of the suppliers listed at the end of the book A section of elegant color plates to back up the figures in the chapters *Culture of Cells for Tissue Engineering* gives novice and seasoned researchers in tissue engineering an invaluable resource. In addition, the text is suitable for professionals in related research, particularly in those areas where cell and tissue culture is a new or emerging tool.

**What Is Real** Jul 29 2022 Dex Pratt's life has been turned upside down. His parents have divorced and his mother has remarried. When his father attempts suicide and fails, Dex returns to their small town to care for him. But he's not prepared for how much everything has changed. Gone are the nice house, new cars, fancy bikes and other toys. Now he and his wheelchair-bound dad live in a rotting rented house at the back of a cornfield. And, worse, his father has given up defending marijuana growers in his law practice and has become one himself. Unable to cope, Dex begins smoking himself into a state of surrealism. He begins to lose touch with what is real and what he is imagining. And then there are the aliens...and the girl-of-his-dreams...and the crop circle...

**Bayesian Data Analysis, Third Edition** Sep 06 2020 Now in its third edition, this classic book is widely considered the leading text on Bayesian methods, lauded for its accessible, practical approach to analyzing data and solving research problems. Bayesian Data Analysis, Third Edition continues to take an applied approach to analysis using up-to-date Bayesian methods. The authors—all leaders in the statistics community—introduce basic concepts from a data-analytic perspective before presenting advanced methods. Throughout the text, numerous worked examples drawn from real applications and research emphasize the use of Bayesian inference in practice. New to the Third Edition Four new chapters on nonparametric modeling Coverage of weakly informative priors and boundary-avoiding priors Updated discussion of cross-validation and predictive information criteria Improved convergence monitoring and effective sample size calculations for iterative simulation Presentations of Hamiltonian Monte Carlo, variational Bayes, and expectation propagation New and revised software code The book can be used in three different ways. For undergraduate students, it introduces Bayesian inference starting from first principles. For graduate students, the text presents effective current approaches to Bayesian modeling and computation in statistics and related fields. For researchers, it provides an assortment of Bayesian methods in applied statistics. Additional materials, including data sets used in the examples, solutions to selected exercises, and software instructions, are available on the book's web page.

**Shades** Oct 27 2019 Killian Marks is a third-generation hitman. After hunting monsters for over twenty years, he lives under no illusions of happily ever afters and fairy tales. Until he meets a man who threatens to disarm him, by giving him hope for a future and showing him there's more to life than just death. For Nick, living in shadows is second nature. He's all too familiar with the dark side of humanity and knows how delicate life can be. Each new day is a gift, even though it means doing it alone. But he'll risk his survival for the one man who awakens something deep within and leaves him yearning for more. Nick wants to solve the mystery behind the dark, brooding man, while Killian craves the life and light emanating from Nick. They soon discover they have more in common than either could have anticipated. With both their lives and hearts at stake, they must confront the ghost from Nick's past intent on tying up a loose end. Only then will they truly find peace, and discover the shades of life in between.

**This Is How It Ends** Mar 01 2020 This is when it begins Fall, 2008. This is where it begins The coast of Dublin, Ireland. This is why it begins Bruno, an American, has come to Ireland to search for his roots. Addie, an out-of-work architect, is recovering from heartbreak while taking care of her infirm father. When their worlds collide, they experience a connection unlike any they've previously felt, but soon a tragedy will test them and their newfound love-in ways they never imagined possible. This is how it ends. . . . A story you will never forget.

**9 Days and 9 Nights** Aug 25 2019 In this sequel to the New York Times bestseller *99 Days*, perfect for fans of Jenny Han and Morgan Matson, Molly Barlow finds herself in Europe on her summer vacation, desperately trying to forget everything that happened a year ago. But over the course of nine days and nine nights, her whole life will be turned upside down once more. . . . Molly Barlow isn't that girl anymore. A business major at her college in Boston, she's reinvented herself after everything that went down a year ago. . . . After all the people she hurt and the family she tore apart. Slowly, life is getting back to normal. Molly has just said I love you to her new boyfriend, Ian, and they are off on a romantic European vacation together, starting with scenic London. But there on a tube platform, the past catches up to her in the form of Gabe, her ex, traveling on his own parallel vacation with new girlfriend Sadie. After comparing itineraries, Ian ends up extending an invite for Gabe and Sadie to join them on the next leg of their trip, to Ireland. And Molly and Gabe can't bring themselves to tell the truth about who they once were to each other to their new significant others. Now Molly has to spend 9 days and 9 nights with the boy she once loved, the boy whose heart she shredded, without Ian knowing. Will she make it through as new and improved Molly, or will everything that happened between her and Gabe come rushing back?

**Dex May 27 2022** Dexter Lock was a SEAL for twenty years before his final mission that destroyed his hips. Lost and drowning in an endless pool of alcohol and women, he needed to take control of his life before it was too late. Taking a random safari, he encountered the heinous act of poaching and was forever changed. His life now had a new mission. When his work takes him to Louisiana and the home of his old friends from REAPER, he finds the one thing he never expected...a woman that leaves him speechless. Marie Robicheaux is the oldest sister of the Robicheaux clan. Once married and living away from home, she withheld her horrible secret from her family. Humiliated and unsure of what to do, she worked to fix her error, but relegated herself to hiding away. When a chance encounter has her standing in front of a man that makes her rethinking her entire life, she's finally given hope that maybe she can have more. The only question now is whether or not her family, and Dex will ever forgive her for what she's done.
