A Little Book to Say Thank You with Flowers Sep 30 2022 The books in this series are designed to be given as gifts of encouragement, love and thank you... This little book with 10 photographic images of flowers, is for you to simply give to somebody else as a token of appreciation - to say thank you. That is 10 ways to say thank you, in just one book. This may well be somebody you know well or could be somebody who is a total stranger to you. A little book to show that person that they are appreciated. It could be a stranger, a new friend, a close friend, a life-long friend or a family member. It could be as a thank you for receiving a gift, a smile, a kind word or simply just for the other person being themselves. I like to be thankful to people and give them a token of appreciation and thanks. These little books are an inexpensive way to do that, for not much more than the price of a good greetings card. A "thank you" can be a boost to any human. Say thank you to somebody you know well or even to somebody who don't know at all. Thank you as a planned act of kindness or a random act of kindness. Thanks, thank you, ta or cheers - however you say it, say it.

Flower, a Story of the Nativity Sep 18 2021 Flower is a formidable woman who, along with her husband Mordecai, runs the most respected inn in all of Judea. She loves her husband, friends, all children and babies. But she has problems; the angels Gabriel and Michael are visiting her, thieves are plotting her murder, Romans are invading her beloved Bethlehem, she has the reputation of being the strongest 'man' in the city, and with the census in full swing, traffic is gridlocked and parking is difficult at the market. Flower, a Story of the Nativity, is not the typical Nativity Story. It is a gritty, exciting, and realistic adventure story. While some of the characters are fictitious the people and events are patterned as realistically as possible after what we know of the circumstances. With that in mind, this book is true to the Biblical accounts. Additionally, it addresses many questions; Who were the Wise Men, Where were they from and what became of them? What was the Star of Bethlehem? How did Gabriel and Michael interact with people? Why was there a census? Why did God allow the innocents to be murdered? Why are the genealogies in Matthew and Luke different? Why does Luke say Jesus was taken to Nazareth after his birth but Matthew says he fled to Egypt, and many more.

Thank You For the Flowers and Balloons Jul 29 2022 What is a mom to do when she is diagnosed with a brain tumor when her daughter is only seven-months old? Go on living life. "Thank You For the Flowers and Balloons: From Humor to Tumor and Back" is my humorous and motivating memoir showing that I'm more than a neuro patient filled with annoying masses. This is not your typical boohoo sick mom story, but an inspiring tale of strength. From my amusing childhood, to my somewhat inappropriate college and law school days, to my life now with my amazing kiddos and hubby, I look at the lighter side of life even amidst the darkest of tragedies. This memoir is a funny and inspirational true story of how I went from lawyer, marathon runner, supermom to a neuro patient with disabilities too numerous to mention. But what is the point of dwelling on the negative things that can't be changed? Instead, I choose to live the best life I can live now. No topic is off limits in this hysterical story that is laugh-out-loud funny, but also, motivational. No matter what life throws at you, look that challenge dead in the eye, and give it a wink. You got this!

Before, After, and Enduring Love May 03 2020 "The act of forgiveness is an illusion brought on by temporary insanity. It never fails, the illusion melts away in the heat of any decent argument." I looked pass Terrance and saw that we were being watched... Kennedy Elyce Thomas is a fifth grade educator at an inner city school in Atlanta, whose passion for providing life and academic lessons to her students is hitting closer to home this school year. Living her life as an endangered species, one of the world's few self-proclaimed commitment phobic females, has proven to be a reliable and successful method for avoiding love's corruption. Nevertheless, her beliefs are tested and her world is shattered after a new teacher, Terrance Amire, is hired for the upcoming school year. Through a school year wrought with relentless ex's, dramatic yet loving friends, family and all that entails, romance, anger, and love, what will be created? Will the year establish a genuine relationship or merely an attachment that will fizzle out at the first sign of emotional rain? Is Terrance determined enough and is Kennedy strong enough to overcome their largest romantic obstacle: Kennedy herself? Only the pages will tell. In this contemporary, African-American romance, Kennedy learns that enlightenment is not solely for the students in her class, but at times, for the teachers as well. Overall, with the help of her friends, Kennedy soon discovers that while there is life Before and After love, Enduring Love is a completely different adventure.

Emerge: My Incandescent Heart Dec 22 2021 Within each of us, there is a spark—a light in our souls that never dies. It is the divine gift God has given us. The darkness of the world and the illusions of technology have distracted us with their images of whom we are not instead of helping us find the light inside ourselves, which is the gift from God. This is book II of my Emerge series, which is my vision of the world. The book II, *Emerge: My Incandescent Heart*, continues our search for our souls and hearts in the journey to change ourselves and the world with love, kindness, and compassion. Be who you are meant to be, not who others want you to be. Follow your hearts and find the light of your souls within yourselves so that you can shine with that light and help us make the world a kinder and less evil and dark place—a happier and more loving world. This is my heart and soul. These are my words. Kassi Ydris (June 21, 2018)

The Flowers of Wiricuta Mar 13 2021 The author integrates his apprenticeship with Huichol shamans into his inspiring work with terminally ill children and their families.

The Flowers of Wiricuta is the gripping autobiographical account of Tom Pinkson's decade-long immersion in the shamanic traditions of the Huichol tribe of north central Mexico, who have retained their ancient way of life more thoroughly than other indigenous groups, and are known primarily for the use of peyote in their spiritual traditions. Pinkson has successfully integrated their teachings into his work with terminally ill children and their families. His book is a heart-felt record of a personal search for a clearer understanding of the true self.

Thank You for the Morning Light Mar 25 2022 Dr. Bob Flowers has created a wonderful children's book of rhyming prayers, filled with heartwarming illustrations he created to emphasize their poetic messages. *Thank You For The Morning Light* is for the entire family to share and enjoy, bringing them closer together while strengthening both their faith and their spiritual relationships. As you pray together, often memorizing the poems, and alternating the reading (or saying) of its lines, you grow closer to each other; and you grow closer to our Father in Heaven. There is little in life that children enjoy more than reading out loud, memorizing, reciting and making rhyme - like that in the book. May it be a blessing for you and those you love!
